Public Hearing Tonight For Sign Ordinance

The long-awaited Sign Review Committee's report will have its first public hearing tonight, when the Planning Commission in a special session will unveil the document for public discussion.

The meeting is set for 7:30 p.m., in the council chambers of city hall, 177 E. "D" st.

Frank Carpenter, an ex-office member of the committee and chairman of the Planning Commission will chair the meeting. There are six other members on the commission.

The public will have an opportunity to air its views as the document is presented and when the public hearing is over, the planners will have their say.

The 14-page document was produced by a six man committee selected by the Chamber of Commerce and the city council.

Serving were, Mrs. Frank Perri, Richard Riley and Robert Scudder, representing citizens and Bill Moir, Bill Rugg and Pete DeRosa, representing the Chamber of Commerce.

The committee took five months of deliberations and many meetings including field trips to other communities to come up with a unanimous decision which was sought by Councilman Ronald Rossitter, chairman of the committee.

The main points of change center in definitions, sizes of signs and the grandfather clause which is what set off the controversy that started the review. After the planners have made their decision, the city council will hold a public hearing, possibly at its Nov. 17 meeting.

Bonita Publishing Co. Appoints Evans Editor

The appointment of Bob Evans as the editor of the Bonita Publishing Company was announced this week by General Manager, Bob G. Bush.

Evans, who succeeds Bill Mason, has an extensive background in the field of journalism, and comes to Bonita Publishing Company from the Daily Report, widely circulated daily newspaper in Ontario and surrounding cities.

Evans was born in San Bernardino, California, November 2, 1938, attended elementary schools in Pomona, and was graduated from Pomona high school in 1956, exactly one month after the school burned down.

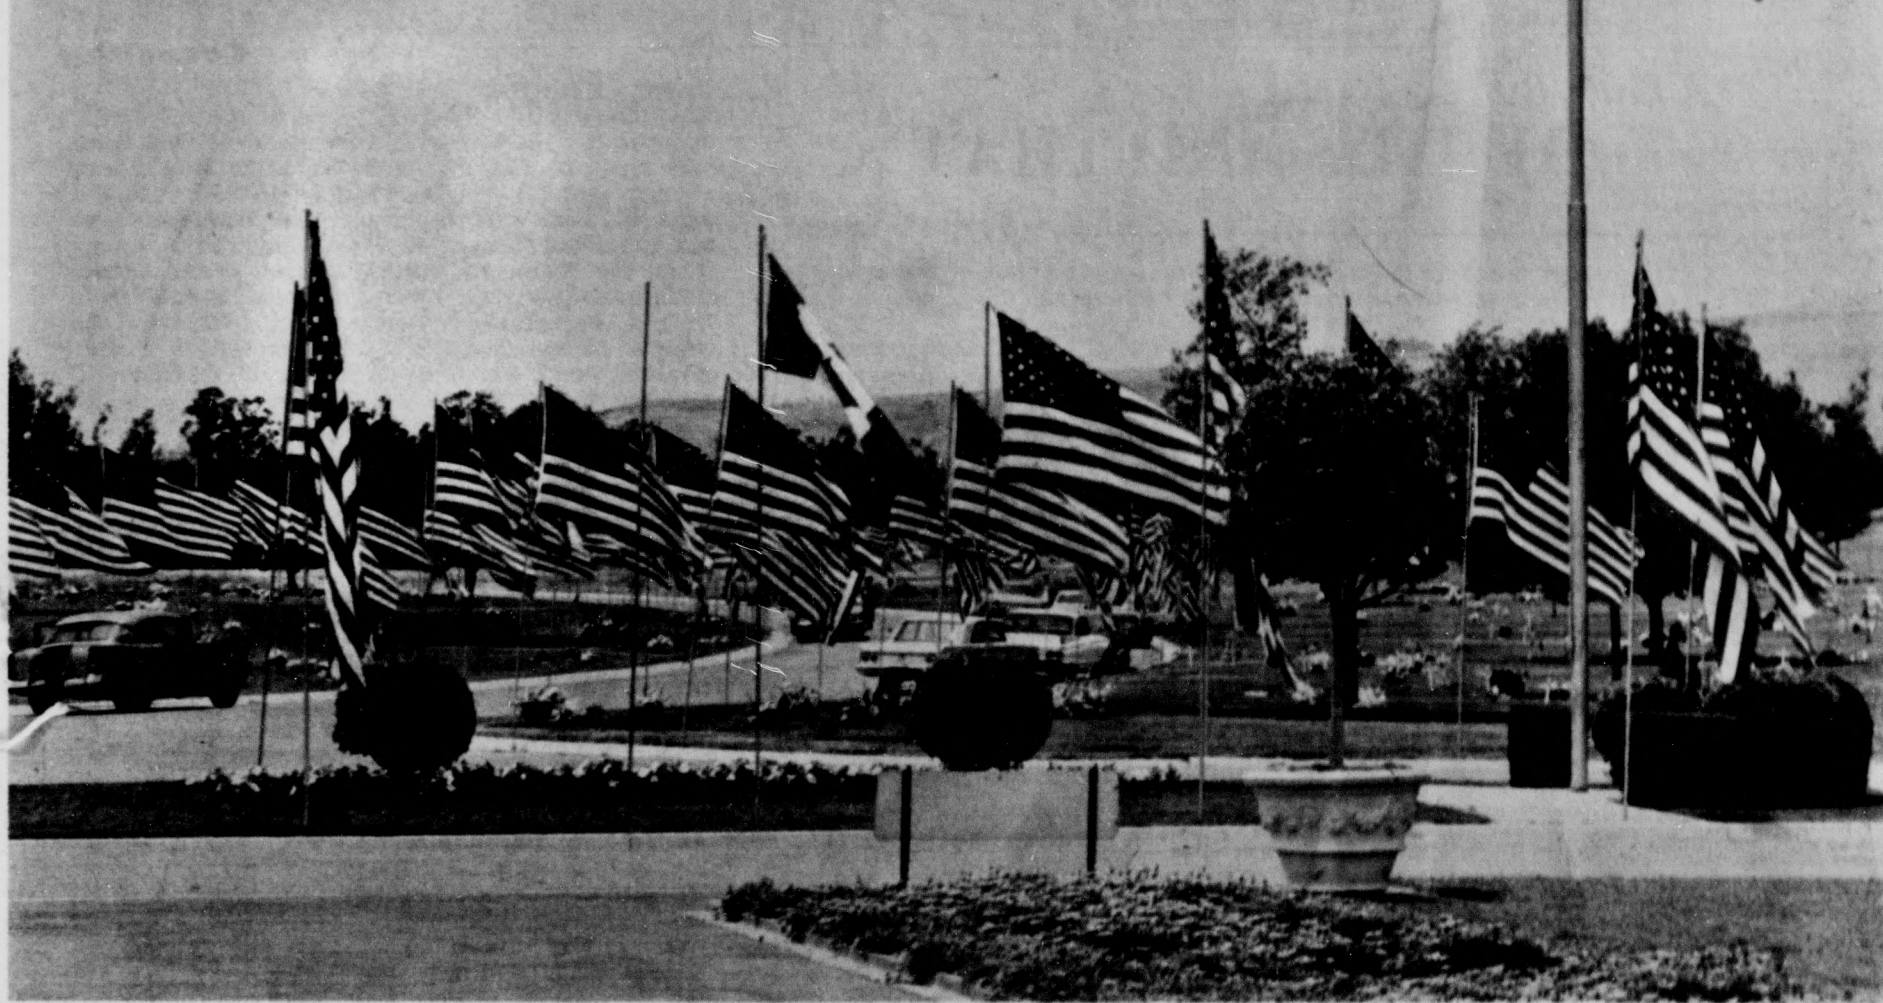

He was graduated from California State College, Los Angeles, BA, majoring in journalism. Previously he attended Pomona College for one year, MSAC

We Still Remember

A TRIBUTE TO VETERANS -- As a part of its broad program of public service, Memory Garden in Brea is open to the public on patriotic holidays, honoring those veterans resting in its sacred ground. The serene Memory Terrace has served as a perfect setting for special patriotic observances, held under the auspices of North Orange County

Veterans organizations. Memory Garden's "Avenue of Flags" offers a unique tribute to our veterans. Given by a grateful nation to our veterans at time of death, the flags present a stirring sight. These flags are a dramatic reminder to all patriotic Americans of our Nation's debt to those who fought to preserve our freedom. Long may they wave!

Upland-Can We Meet This Challenge?

By Jenny Kirkpatrick

Upland, "The City of Gracious Living," has dirt behind its ears. Our Euclid avenue is beautiful, our homes, most of them, are beautiful, and we fight to keep them this way.

But, we have an appalling area we take for granted. To make matters worse, in the center of this area is an ancient school-house, one of the first in the city--and we date back to the early 1800's--that we call a Boys Club.

The Boys Club does not attract too many boys. It is depressing just to be inside the building. There is no equipment that works, few whole games, and a handful of ancient books that have missing pages.

Even if you wanted to fix up the building, which has been tried, it is still old and ugly and beyond repair.

Mrs. Beatrice Riggs of the Chaffey Communities museum has begged the city council for the building to use as a museum piece and she should have the privilege of getting it. This is the only function it should ever be used for again.

DEPRESSING PLACE
The Boys Club, besides being housed in a depressing place, has a nebulous past so far as information is concerned. Budgets are on paper, but no one seems to know where the money is or how much cash is on hand.

One board member tends to refer you to another member, and until recently the boards have been separated by internal fighting and disagreement. This is not to say that many board members have not tried or have not at least kept the idea of a Boys Club alive, for they have.

But, to find out any complete history or records that relate a running story is mighty difficult.

Much of what has occurred came before my time and I am not judging it now, I have no basis to do so.

I am only asking that from now on out, records be kept and the boards make an effort to be business-like.

Some will say the former di-

rector was the cause of a lot of dissension, but someone let him run the club's affairs, and in doing so the Boys Club suffered.

NEW DIRECTOR

This fall a new director came to the Boys Club. He is Rudy Rodriguez, a young and enthusiastic man who is eager to establish a good program. He came from the San Diego area and was instrumental in serving the Carlsbad, Oceanside, San Digo Boys Clubs over the years. He, himself, is the product of a Boys Club and knows the value they can have in a community.

So far he has had a frustrating fight to build any kind of program. He has been able to interest many new people in the Boys Club and many are taking a second look at its location and what can be done about it.

At the last meeting of the Parks and Recreation Committee, a discussion was held and the idea brought out that a new club would be needed.

Harold Cook, one of the members of the P & R Committee and an old timer in the community having served in many capacities and mainly as Superintendent of the Upland Schools, voiced the opinion that Sierra Vista park site has an extra two acres in it and maybe besides a park, the Boys Club could be built there and get a fresh start. His plan met with approval of some.

One problem occurs with moving the Boys Club.

NO FIRM FIGURES

Even though most Boys Clubs do not buy property, since it can be a costly part of its budget, Upland Boys Club owns the land it is on and pays \$300 a month for it. No firm figure on its purchase price has been given, but the figures from \$22,000 to \$29,000 have been bantered around.

It is estimated at this price the property is close to being worth that located in the Sierra Vista area and so an exchange could be worked out nicely. Certainly this site would be fairly central and could draw boys from all areas. Boys Clubs are unique in that they have both planned and drop-in programs. The drop-in program allows a boy to come by and shoot a game of

pool or use the craft room or gym as he likes and then leave when he wants. Planned programs offer competitive sports and tournaments both in sports and games. The key word besides serving all boys, is the club is supervised at all times by directors and parttime help.

The Boys Club derives its money from several sources--the city, United Fund, gifts and fund raising.

The city has given the Boys Club an allotment of \$6,000. This is usually given in two checks of \$2,000 each, and one such check was issued in July, 1969. The remaining \$2,000 goes for maintenance and last year went for expenses to revamp the ball diamond and outdoor play area.

Last year United Fund shows it gave \$14,788.92 and this year is supposed to allot \$21,590.

SERVES ALL BOYS

The Boys Club creed is that it serves all boys from 7 to 18, but many clubs have facilities for the second grade to junior high school level. The clubs are functional and usually contain an all-purpose room, an arts and crafts shop, a gym, and a library. They are usually built on donated land and have help from the community in getting a building and furnishing it. Men who volunteer participate in an "adopt-a-boy" program and give of their time to help the boys.

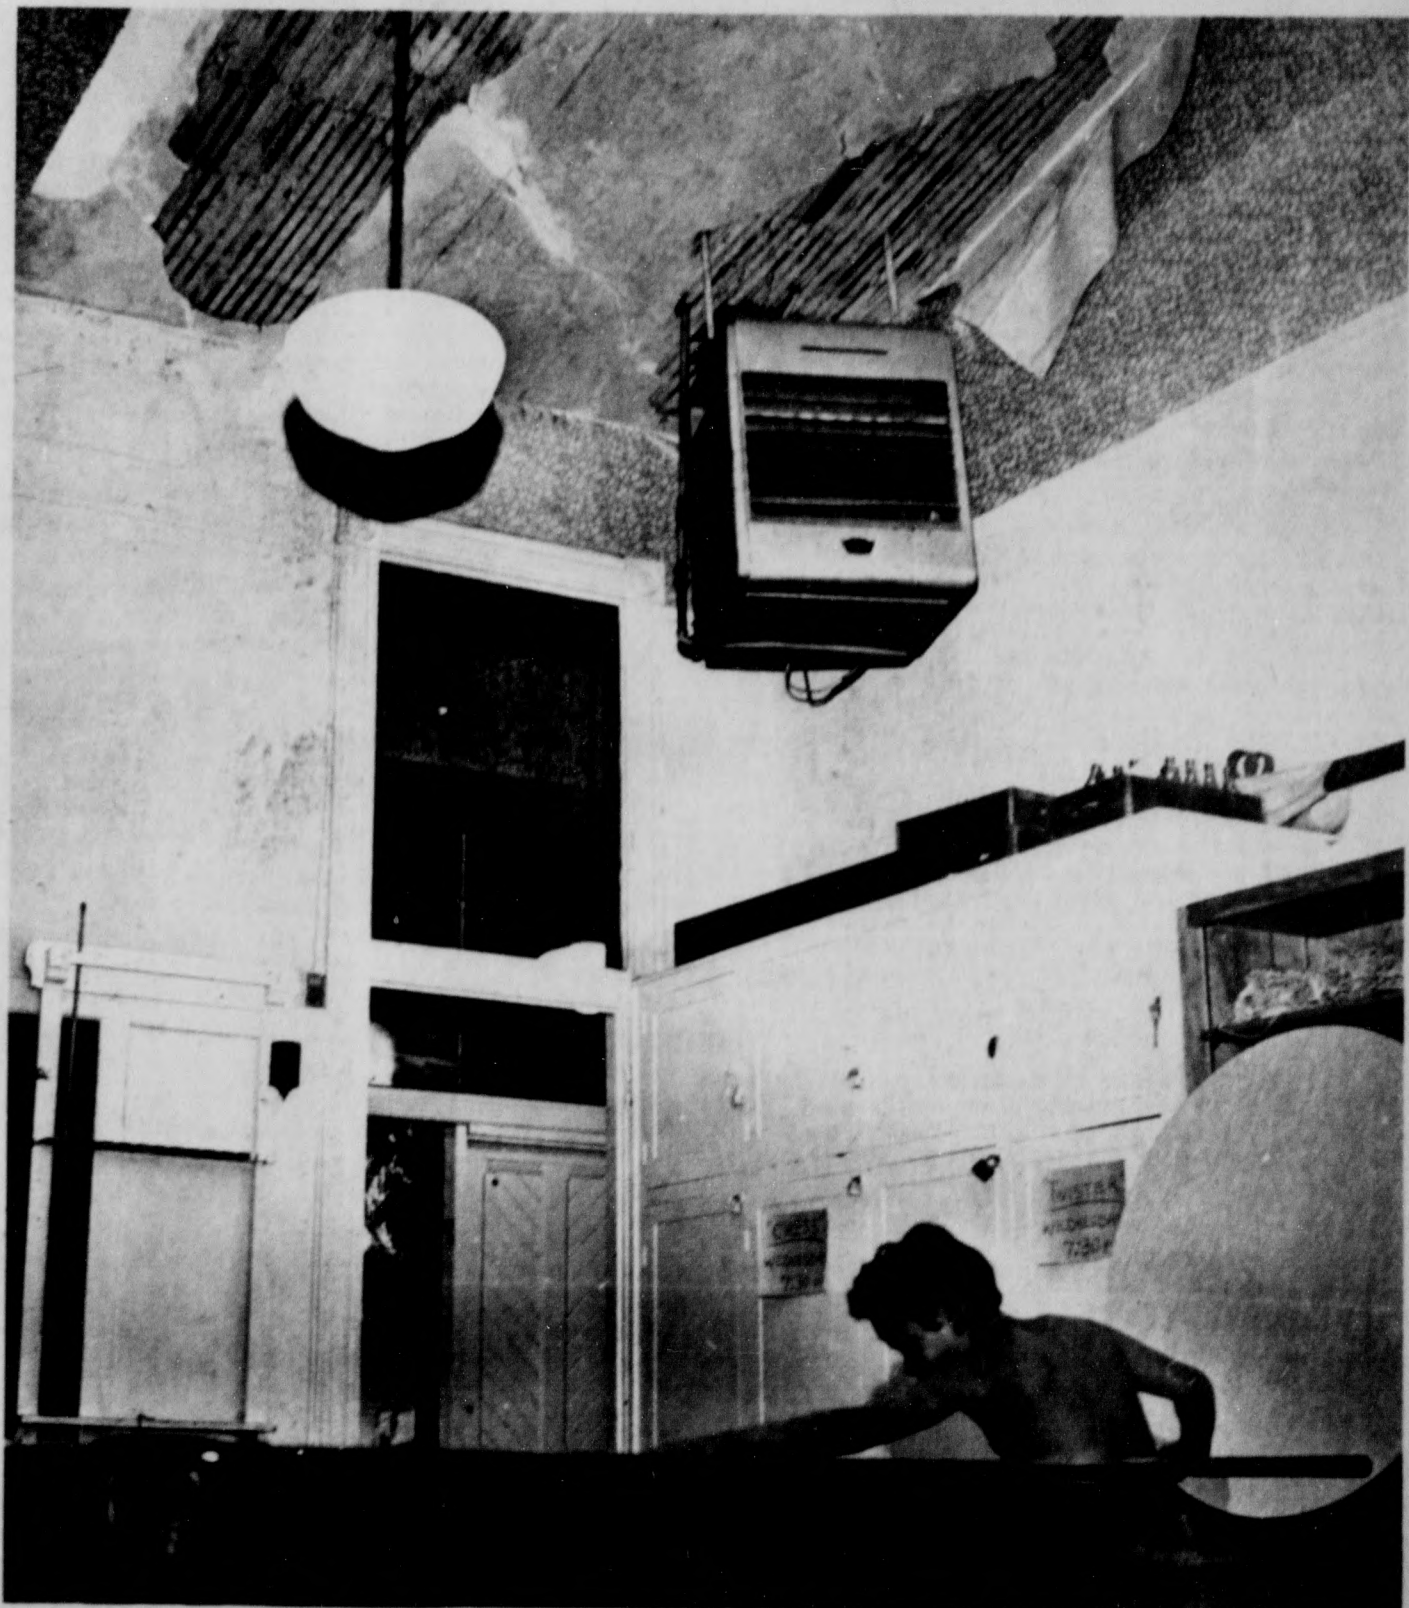

Mothers are usually confined to the kitchens where they prepare the Saturday hot dogs and many times do the fund raising.

The clubs are open from 2:30 to 5:30 p.m. four days a week with Saturdays from 9 a.m. to 3 p.m. They are closed Sundays and Mondays. The staff usually consists of an executive director and a program director plus any young college men who might be needed on a part-time basis.

In a recent visit to the six area Boys Clubs in San Diego county, I saw clubs ranging from very posh to average. I saw many races and creeds playing together, and I saw what good supervision can mean to youth.

Upland, we must clean behind our ears and build a new boys club so all in our community can be a part of our "Gracious Living." Can we meet the challenge?

Young People

In the last census, Upland showed a population with an average age of 26. We, then, are not as people believe an older populated city, we are young, and we have a lot of young people who live here.

Have you thought that if you were young and living here, what there is to do?

Suppose you were a teenager and it is Saturday night, where could you go? The Grove Theatre? Fine and it is usually full by 8 p.m. The Teen Center? Fine, but we no longer have one as evidenced by the following letter.

To: Upland city Council

For the past three months a careful record has been kept of the Upland Teen Center.

An effort was made to increase enrollment by having dances and outside demonstrations. Money from the Recreation Budget was used to cover any expenses incurred by having a good band. This sum amounted to around \$50.00. On many occasions there were only 35 teens present for a dance.

Mr. Reynosa has made every effort to encourage membership, but the interest has died and now bands do not wish to play at the Teen Center. When the Center is open there is vandalism going on in the building and to the pool tables.

Therefore, as of November 1, 1969, the Upland Teen Center was closed and Mr. Reynosa was relieved of his position. The building is now available to the city to use in any capacity it sees fit. There are two pool tables, P.A. system, three tables and about 35 folding chairs which are city owned.

I regret to discontinue the Teen Center, but I feel that this type of center is not the answer to our teenagers. The High School and churches in our community must take it upon itself to provide the type of entertainment or meeting place for our children. This is done now by many churches and should be encouraged by others.

Sincerely,
George Schillens, Recreation Director, City of Upland

Well, then where? That is the point where? How about if you are younger and it is vacation time or after school, a park maybe? We have few that are developed enough to use.

But, the answer will have to come from the citizens who are willing to ask the city council to prepare a sensible park bond issue that will mean parks NOW. Secondly, they will have to see that a full time recreation director is hired. This can be done and should be done. It is the only way to develop a recreation program that will help all youngsters and since it takes a few years to develop a good recreation program, it must be done now. We are already lagging. Youngsters who participate in the program can and should be charged a small fee. This has been done during the summer craft program.

We are still suggesting using the neighborhood park concept meaning a park adjacent to the schools, the land is already purchased and waiting for development. Along with this could be a recreation program that could be held in the schools.

Then, there would be several places for youngsters to find something to do and the oldsters might even enjoy a tennis instructor now and then. Recreation isn't always kid stuff, you know. JBK

Youth Conservation Corps

Our Man In Washington

by BILL KENNEDY

WASHINGTON - One day last summer U. S. Sen. Henry Jackson, coat draped over his shoulder, trudged up the mountain to the Hayes River Camp in Olympic National Park. He paused for a moment, feeling the warm sunshine, recapturing the fresh smell of towering firs and the wild flowers.

Henry Jackson had known the great outdoors during his youth in his native state of Washington. But after years in the nation's Capitol, he had also come to know urban America where millions of youngsters spend their summers out of school, out of work and ripe for trouble.

Here at the camp, Jackson found 21 boys and girls--most of them driving nails, building a cabin and some several hundred yards away clearing an old fire trail.

Jackson is chairman of the Senate Interior Committee and last February he drafted a bill to create a youth Conservation Corps to give city youngsters ages 14-18 a chance to spend their summers outdoors, doing useful work.

HE WENT to Sens. Warren Magnuson, also of Washington, to Alan Bible and Howard Cannon of Nevada, Fred Harris of Oklahoma, Ralph Yarborough of Texas, Daniel Inouye of Hawaii and a dozen others, and they enthusiastically co-sponsored the bill.

The bill would start the first summer with a pilot program that would put 3,000 youngsters into the forests and parks for 90 days. The kids would maintain and build campgrounds, bridges, trails, dams and picnic areas.

BUT AFTER running into opposition from several officials, Jackson visited the Hayes River Camp to see personally what the youngsters were doing and he liked what he saw.

"We who have known the outdoors know what it can do for the spirit and for self-esteem," Jackson said. "With House passage and Presidential approval, the youth Conservation Corps could make life more fulfilling for a lot of youngsters."

When Will We Stop . . .

A Little Bit

OF THIS AND THAT

By Bob Evans

The nation observed Veteran's Day Tuesday in honor of those who have given their lives in service to the United States.

There was a time when a feeling of unity tied all Americans together. There was once a consensus of where we--as a people--should be heading. When our servicemen were involved in combat, we knew why we sent them to fight, and we all prayed for their success.

Well, it seems clear by now that the Vietnam experience has changed all this. There is division here at home over whether U.S. troops should have gone there to begin with, how they should fight the war now that they're there and how soon they should come back home.

However, the fact that GIs are in Vietnam is because of decisions that we, through our elected representatives, made.

And now, because of dissatisfaction which some express over our Vietnam involvement, some of this opposition is being hurled directly at our own men in uniform.

We don't intend here to argue whether we should or shouldn't have United States soldiers, sailors, marines and airmen in Vietnam.

All of us, though, should keep in mind that WE have sent the men there. And any man in uniform deserves our gratitude and respect. Americans who don't like our role in Vietnam will have to keep trying to find acceptable ways of changing it.

But all of us should give GIs our support.

Hello!

We're looking forward to an interesting and pleasant association with all of you through the Bonita Publishing Company.

It's great to get caught up in the enthusiasm of putting out your weekly paper, and enthusiasm is, we think, the best way of describing the atmosphere here.

Those of you who personally know Joy Kennan of The Bulletin, Marcella Case of The San Dimas Press and LaVerne Leader, Marilyn Baker of The Montclair Tribune, Jenny Kirkpatrick of The Upland News or Jannilee Brooks of The Cucamonga Times already have seen this enthusiasm.

We came over to Bonita from The Daily Report in Ontario, and, previously, from The Progress Bulletin in Pomona. It's tempting now to compare the differences between a "daily" and a "weekly" newspaper. But let's ignore this temptation and consider this: the phrase, "your weekly paper." We feel this is extremely important in all that we do, for it is you we are trying to serve.

We want you to continue to have fun reading this paper. Our specialty is community news, and it will continue to be this way.

You want to read about what you and your friends are doing. How your community is doing. This is why we are here.

Same All Over

Inflation. Rising prices. Demands for handouts. Mooching in-laws. Calls for government controls. It could be right here at home, but at the moment we're thinking of Tanzania, where Peter Mwitta has written to the local paper urging the government to put a ceiling of 15 cows on the price of a bride. He protests at the going price of 40 to 45 cows.

We are glad to commiserate with Mr. Mwitta, but we urge him not to spend too much time envying us in the United States, where the bride's family pays the cost of unloading her and where guests show up by the dozens to mooch sliced live stock. In Tanzania he at least can hope to produce some daughters and get his money back. Chicago Tribune

It is also necessary, Mr. Mwitta complained, to buy "a big blanket, raincoat, and cap (military type) for father-in-law, a steel saucepan costing about 35 shillings for mother-in-law. . . and to slaughter two fat oxen to welcome relatives."

Let's Laugh

"I'll just take five of the ten I asked for. Now you owe me five and I owe you five, so we're all square."

What's Doing In Upland?

by Jenny Kirkpatrick

RAIN

It was nice to see the rain again, it seemed to be the gentle kind until about noontime and then it began to look like some we had last January when the floods came. By 5 p.m., many people were starting to worry a little, but Elwin Alder, City Manager, has assured the council that Upland is in good shape for the rainy season and it would take a lot of rain for days on end to get a repeat of last year's flood. We certainly hope so. Gentle rain clears the air and washes the grimey smog away, but tons of it only washes us away.

OFFICER IN CHARGE

We know the post office is in good hands with Charles Welch's appointment as Officer in Charge following the retirement of John James last week. Welch has put in 23 years of service and has advanced from carrier to Superintendent of Mails. He was appointed Assistant Postmaster in 1964 and will retain this title along with his new one. A civil service examination for the job of Postmaster will be announced later by the U.S. Government.

OLDTIMER

A man who didn't want to give me his name, dropped by the office this week to tell me about how much he enjoys Upland since he moved here a year ago. He previously lived in New York and says he has walked around the downtown area and has noted the many historical landmarks, among them the Madonna and the wagon train plaque. He asked if we could print some of the history of Upland and maybe let the newcomers know the town's background. We told him about Esther Boulton Black's book of "Stories of Old Upland", and he went off to the library to get a copy. He does have a point and maybe we can print some history now and then.

CHAMBER MEETING

The Chamber of Commerce will hold its monthly meeting Friday, Nov. 21, at the Arbor Restaurant, Foothill boulevard and Euclid avenue. Speaker will be Richard Hall, manager, Chino Water Basin District, who will discuss the area's water problems. Reservations may be made by calling the chamber office, 982-8816.

DID YOU KNOW?

There are 78 Rotary Club members and they call their bulletin "The Grease Cup". (The Grease Cup?) The erstwhile editor is Lee Travers, director of Administrative Services for the city.

ZELLA STONE

Dropped by this week to say "hi" to Zella and she is indeed in metal contraption and quite immobile except for the upper portion of her body. She is chipper most of the time and has some beautiful flowers and cards. We hope these next two weeks are easier for her and that she gets back in the swim of things soon. We miss seeing her buzz around town.

SISTER CITY SPONSORED PLAY

Last call from the Sister City Group, to attend their night at the Gallery Theatre's production of "Peter Pan," on Wednesday, Nov. 19. The proceeds will go toward the cost of bringing the Mariachi Band from Upland's Sister City of Caborca, Sonora, Mexico, to Upland for a fiesta to be held in the Town Center next spring. Tickets are \$2 each and may be obtained from Harvey Stone, Tom Lucero, Jr., Frank Ayala, Mrs. John Nicholson, and Opal Callaway.

COMMUNITY CHAFFEY ART ASSOCIATION

The Chaffey Community Art Association will hold its meeting early this month because of the Thanksgiving holiday. The meeting will be held at the Upland library meeting room, Euclid avenue and "D" street, at 7:30 p.m. Anthony Ivans, Chaffey College Art Dept. faculty member, will give a painting demonstration.

There will also be a sale of Christmas gift items made by association members.

HATS OFF

Hats off to the Upland firemen, Richard Lebel and Fred Nelson for earning a certificate in fire science at Chaffey College.

YOUTH APPRECIATION WEEK

The Ontario-Upland Optimist Club are celebrating this week as Youth Appreciation Week. Mayor George Gibson signed a proclamation at the Nov. 4, council meeting adding the city's approval to the week. On Saturday, Nov. 15 at 9 a.m., at the Grove Theatre, Ninth street, a free movie will be held for students in the junior high and high school age group. The seating is on first come first served basis. Five outstanding youth who have contributed to the community will be honored at intermission time, according to John Meyer, president, Ontario-Upland Optimist Club.

LEAGUE OF WOMEN VOTERS

A "Go See," trip to the Prado Basin development area is scheduled by the League of Women Voters of West San Bernardino County. Members will assemble at 10 a.m. at the US Corps of Engineers Sign near the Prado Dam, Friday Nov. 14.

Any interested person is invited to attend and further information may be obtained by calling Mrs. Carter, 628-2421 or Miss Schrader, 623-8036.

HATS OFF TO MARY CHAVEZ

Hats off to a fine lady, Mary Chavez, who designed the costumes for the West End Opera Assoc.'s production, "La Traviata". She also did the costumes for the organizations production "Carmen". She's a talented lady who gives of her time and we say hats off. She formerly was a costume designer at Chapman College.

A MARK TWAIN POSTCARD -- Paula Hurst, daughter of Mr. and Mrs. David Hurst, 413 Shasta Way, Upland, hands Oliver Soderberg, principal, Citrus elementary school, a postcard that was returned with her name on it from Breckenridge, Mo. Paula, a third grader, won a transistor radio-clock as a prize in a contest held as part of the publicity for the annual PTA carnival. On late Friday afternoon, Oct. 11, the children let go of helium-filled balloons on the grounds of the school, all had cards attached to them with the student's name on them and instructions to return them to the school if found. The card returned from the furthest distance would win a prize. Paula's balloon merrily sailed up into the smoggy skies of California and evidently hit a prevailing wind current and made its way to Breckenridge, Mo., 60 miles from St. Joseph. It was found on the morning of the 13th, just two days after its release. Calvin Morgan retrieved it and sent the card and a nice letter asking about the contest. Pilots in the area said it is possible for such an occurrence. The two other prize winners, Celine Oakford and John Jaques, had their cards returned from Coolidge, Arizona, which is south of Phoenix.

Bonita's New Editor

Continued from Page 1
for two years and then transferred to California State, Los Angeles.

The darkroom at the Progress Bulletin was Evans' first newspaper experience, during the summer of 1955. He worked later for the Progress Bulletin on a part time basis until May of 1963.

Leaving the field of journalism for a brief time, Evans worked for the Southern Counties Gas Company, and then went to work for a weekly paper in Alhambra in June of 1963, where he remained until February of 1964. He did editing, page make-up, and covered San Gabriel City Council meetings.

Evans joined The Daily Report staff in November of 1964 and covered Montclair, Chino and On-

tario City Councils, (not all at once he said) and also worked on general assignments. He also pitched in as a photographer when needed.

Evans left The Daily Report in January, 1967 to go to the Salem, Oregon Capital Journal, covering police and courthouse beat. But he missed Southern California and returned to The Daily Report in February of 1968.

The new editor of Bonita was married in 1969 to the former Judi Chalmers of Ontario, who then was working in the accounting department of The Daily Report. She now works at J & S Industrial Tool in Pomona.

When Evans isn't at his desk pulling loose ends together for all six weeklies, he enjoys reading and listening to music. But his main interest is his job, for he is a newspaper man at heart.

SALUDE, HERE'S LOOKING AT YOU AND BOTTOMS UP -- Mrs. Mary Milazzo, new accounts secretary at the Cucamonga branch of Bank of America, admires a display in the bank's foyer. The display commemorates the 200th year of wine-making in this country, and was placed in the bank by Thomas Vineyards.

Drug Abuse Program Set

Police Sergeant Goy Estes will present a program on Drug Abuse to the combined PTA's of Magnolia and Sycamore Elementary Schools, tonight (Thursday), at 7:30 p.m. at Pioneer Junior High School, 245 W. 18th St. in Upland.

Capt. Thomas Smith will introduce the program and Sgt. Estes will describe the most commonly used drugs, the symptoms and dangers of their abuse.

A 30-minute film on marijuana will be included in the program. At the conclusion there will be an opportunity to ques-

tion both Capt. Smith and Sgt. Estes.

Sgt. Estes has been employed by the Upland Police Dept. since 1963. He was promoted to investigator in 1965 and more recently, to sergeant. He is responsible for the narcotics enforcement in the Upland area.

Sgt. Estes has an Associate Arts Degree in Police Science and has been an instructor in Police Science at Chaffey College. He has attended several schools on narcotics and is an expert in the field.

If Edison shut down all its power plants, would it solve the smog problem?

No.

If all Edison power plants were shut down, there would be no noticeable difference in the photochemical smog level.

Then who—or what—is causing smog? To fully understand the problem—and every concerned citizen should—let's take a look at the facts:

The four components of photochemical smog are: hydrocarbons, nitrogen oxides, oxygen and sunlight.

Photochemical smog is the stuff that irritates our eyes, stings our noses and hangs in a haze over Southern California. It occurs during much of the warm part of the year and results from a photochemical reaction between reactive hydrocarbons and nitrogen oxides in the presence of sunlight and oxygen.

Oxygen, of course, we need for survival. Sunlight we want. It's the other two components that spell trouble. And it takes a mixture of both hydrocarbons and nitrogen oxides to form photochemical smog. So where do these smog-makers come from?

Edison power plants in L.A. County account for only 1/10 of 1% of all the hydrocarbons in the air. That's practically nil. In contrast, motor vehicles account for a whopping 67.9%. Nitrogen oxides? Edison accounts for about 1/12—8.3%. Motor vehicles again account for the lion's share—66.7%. (Source: L.A. County APCD data.)

Remember, photochemical smog requires a mixture of both pollutants. Do away with either one, and you do away with smog. And Edison plants produce practically no hydrocarbons.

We get both hydrocarbons and

nitrogen oxides—tons of them—through the exhaust pipes of our cars. And both spew out at ground level where they do the most damage.

On the other hand, nitrogen oxides emitted from power plants are virtually free of hydrocarbons, so there is essentially no photochemical smog produced. Besides, these nitrogen oxides are released upward at about 60 miles per hour through tall stacks—not at ground level.

Consequently, Edison's total contribution to photochemical smog is small indeed. Emissions are well within the limits set by the L.A. County APCD. And those restrictions are among the strictest in the nation. Nevertheless, we're finding ways to reduce our share of air pollutants even further. Contrary to some public statements, the relatively small emissions of nitrogen oxides from power plants have been and are still being reduced.

Edison was one of the first utilities in the nation to develop an air pollution research program. Pioneering work led to the development of the "two-stage" combustion process. It substantially reduced emissions of nitrogen oxides.

During the last six months, research breakthroughs have reduced emissions even further. These improvements are being applied to Edison generating units as rapidly as possible. As a result, emissions of nitrogen oxides from all Edison power plants in the L.A. Basin will be further reduced by approximately one-third. In L.A. County, for example, from 8.3% to 5.5% or lower.

And still further research is underway to control emissions even more.

But what about the major smog-producer—the motor vehicle? Until now, the program to control automobile emissions has concentrated on reducing hydrocarbon emissions, as well as carbon monoxide. But in so doing, the program has caused emissions of nitrogen oxides from motor vehicles to increase. In fact, in 1969 this increase alone is greater than the total emissions of nitrogen oxides from all power plants in L.A. County!

Authorities are hopeful that nitrogen oxide emissions from autos will start to be brought under control by the early '70's. We hope so, too.

With regard to total air pollution, motor vehicles account for 87.7% of the total tonnage of all air pollutants in L.A. County. And Edison accounts for less than 1%.

So shutting down power plants would hardly be a solution. In terms of either photochemical smog or total air pollution, you wouldn't notice the difference. And no one wants to try to live without electricity.

Considering the fact that your needs for electricity will double within the next eight years, it's imperative that additional power plants be built in the area. Fortunately, these new power plants won't make a noticeable difference in the smog level either.

Nevertheless, in some areas Edison is facing serious opposition to the construction of new power plants. If Edison is not per-

mitted to build these power plants close to where the power is needed, there are three alternatives:

1. Import electricity from out of state over high-voltage transmission lines. These lines would have to cut through heavily-populated areas in Southern California. Moreover, there is a definite limit to the amount of power which can be imported without affecting the reliability of your electric service.

2. Generate electricity at nuclear power plants. Our plans include the construction of additional nuclear plants. But they take a long time to build—at least seven to eight years, including the time it takes to obtain approvals from state and federal regulatory agencies, and the public. You can't wait that long. Additional electric power is needed in the immediate future.

3. Ration electric power. In some sections of the nation, this happens periodically. In New York, for instance, customers were asked not to use their air conditioning units during a heat wave. But a "brownout" doesn't solve the problem. Nor does a blackout.

The sensible solution is to build the necessary power plants, and make certain that they comply with applicable local, state and federal clean air regulations. Edison is dedicated to do this.

After all, nobody wants smog—including the 11,000 of us who work at Edison. Our families live here too.

FOUR DADS AND A BABE -- Little Amy Sibley appears to be the center of attraction -- and she is. Amy was adopted, and the dads looking on are fathers of adopted children, too. From left, George Ferraro, Joe Pillsbury, Amy's dad John Sibley, and Richard Vasquez, all are officers in the newly formed Adoptive Parents Association.

Parents 'Adopt' Association

Last July, a group of six couples got together and decided to organize a club. They were like young couples of today -- with one exception. They were the parents of adopted children. Feeling a need for a club for parents such as they were, they laid down the background and hence--the Adoptive Family Association came into being.

The objective of the Family Adoptive Assoc., is to further and promote adoptions and to help adoptive families through informative meetings and social

activities.

The membership is open to any and all adoptive parents, whether agency or private adoption. The only requirement for membership is that prospective members be an adoptive parent or a prospective adoptive parent and are interested in the goals of the club and in making new friends.

The association will hold a charter meeting on Friday, Nov. 21, at 8 p.m., at the Upland Library, east side, lower level. The group will meet the third

Friday of each month.

Newly elected officers are Joe Pillsbury, president; George Ferraro, first vice president; Richard Vasquez, second vice president; Mrs. Richard Vasquez, corresponding secretary; Mrs. Asher Bresee, recording secretary and Dr. John Sibley, treasurer.

For further information concerning the association contact Mrs. John Sibley, 987-4560.

Garret Sale Set For Sat.

The Mother's Club of Girls Collegiate, will hold a Garret Sale, Saturday, Nov. 15, from 10 a.m. to 3 p.m., at the school, 3105 Padua Ave., Claremont.

Included in the sale will be art objects, garden sculpture and an odd assortment of items.

Mrs. B. C. Stevens, Upland, is chairman of the event. Donations for the sale will be picked up by calling 624-1634, 624-5459 and 985-9132. The public is invited to attend.

Pioneer JHS Plans Musical Program

The music department of Pioneer Junior High School will present a combined vocal and instrumental program at 7:30 p.m. on November 18, in the school multi-purpose room.

The concert will feature selections by the boys chorus, the seventh and eighth grade girls choruses and the concert band. Selections performed by the band and vocal groups will be of a patriotic and Thanksgiving nature.

This fall concert, combining the vocal and instrumental music departments, is a new venture and the school invites the public to attend.

Diabetes Clinics To Be Held Nov. 16

Diabetes Detection Clinics sponsored by the Diabetes of So. Calif., will be held on Nov. 16, 1-4 p.m., at the Ontario Health Center, 6th and Mountain; Pomona Health Center, 750 So. Park; Bonita High School, 3102 "D" St., LaVerne. It is important to eat a full meal with sweet dessert the hours before the test. Do not void from time of eating until time of test.

Diabetes is the inability of the pancreas to produce sufficient insulin to convert sugars and starches into body energy. Early detection is important to prevent serious consequences.

The ten signs of diabetes are a history of diabetes in family, frequent urination, abnormal thirst, persistent hunger, undue loss of weight, fatigue and drowsiness, recurring boils and other infections, visual blurring and other disturbances of sight, persistent itching, and sores slow to heal.

Anyone may have some of these signs occasionally and not necessarily be diabetic, however, if some of these symptoms occur together and they persist, be sure to consult your doctor.

Co-sponsors for the clinics are the Upland-Ontario Zonta Club, Pomona Chapter of DASC and the Bonita Council PTA, LaVerne. The public is invited. The clinic is free.

RUMMAGING AROUND . . . Dewey M. Cable and Earl Nelson look over some of the varied objects that will be available at the Lion's Rummage Sale on November 22 at the Court House from 8-3 p.m. The profits will go to the Lion's charities.

CHRISTMAS CARNIVAL -- Young Lisa Long, 4, shows her mother, Mrs. Judy Long, a cuddly pink elephant and a squishy terry cloth doll in a blanket. These are some of the items that will be for sale at the Christmas Carnival sponsored by the Church of Jesus Christ, Latter Day Saints, Upland, San Antonio and Eleventh streets. The family-type carnival will be held Friday, Nov. 14, from 2 to 8 p.m., and will have something for everyone. The public is invited to attend.

Hospital Patients Sponsor Arts And Crafts Show

Patients of the Alta Loma Convalescent Hospital will host an open house on Sunday, November 16 from Noon to 4 p.m.

A presentation of arts and handicrafts produced as part of the organization's Occupational Therapy program will be featured.

Participants in these programs will offer these items for sale. Proceeds will be used to purchase recreational equipment and wheel chairs.

Mrs. Aldena Casey, Occupational Therapist, announced that the open house is a part of the hospital's continuing efforts to provide a creative challenge for the patients.

The hospital's arts and crafts program is designed to provide an outlet for the talents and energies of the patients residing there. Mrs. Casey is in hopes of being able to purchase equipment such as croquet, table tennis and a pool table with the proceeds from the sales.

In addition to the display of arts and crafts, a tour of the hospital will be featured.

It is hoped by hospital administrators that residents of local communities will avail themselves of this opportunity to become acquainted with the personnel of the home and its many constructive programs.

Besides the arts and crafts program, patients are subjected to field trips, movies and parties. The hospital also holds church services for the patients.

The hospital is in need of volunteers to work with the patients on various programs.

Refreshments will be served at the open house.

ACTIVITY SCHEDULE

OVER-JOYED -- Nancy Newman, patient at the Alta Loma Convalescent hospital, is over-joyed at the prospect of the hospital's open house to be held Sunday, Nov. 16. Exhibiting wares that will be sold at the event are Mrs. Aldena Casey, left, and Mrs. Judy McCoy. The ball which Nancy is holding took second place for arts and crafts at the county fair.

Today's WOMEN

Dr. Wake Will Speak To Women's Auxiliary

Dr. Donald K. Wake will speak on "Comprehensive Health Planning" at the November luncheon meeting of the San Antonio Community Hospital Women's Auxiliary.

Luncheon will be served at 12:30 p.m., Monday, Nov. 17, in the Auditorium at the hospital. Mrs. Shelby Forrest is the program chairman.

Dr. Wake did his pre-medical studies at Chaffey College and Pomona College, and he received his medical degree from University of Southern California. He served his internship, as well as his residency in general practice, at San Bernardino County Hospital. He has been a member of the medical staff at San

Antonio Community Hospital since 1955. He has served as president of the medical staff at San Antonio Community Hospital and is presently serving as a member of the surgical committee, tissue committee, utilization review committee, and medical staff planning committee. Dr. Wake also is a member of the San Bernardino County Medical Society and is a past-president of that group.

Mrs. Hurley Robinson, auxiliary president, welcomes all women of the West End community to attend. Reservations for the luncheon may be made with Jean Grace, auxiliary secretary at the hospital, 985-2811, before Friday, November 14.

Cotillion Year Launched By Patrons--Patronesses

The Upland - Ontario Cotillions, sponsored by Margarita Otero's Los Amigos Club, was launched with a luncheon held at the Sycamore Inn recently.

Invited to attend were the Patrons and Patroness for the year. Included were: The Mr. and Mrs. Lewis Stokes, Briscoe Root, John Eagle, Jr., Walter Saccani, Fred Freehling, John Armstrong, Jr., Russell Schultz, Thomas Kishen, Rene Biane, Charles Adams, Paul Roush, Robert Dixon, and Robert Sheridan, and Dr. and Mrs. Edwin Cavanaugh.

The Cotillions are held twice a month with a Christmas party,

Valentine Party and international party held throughout the year. Mrs. Otero is a teacher of fame with training in all phases of dancing. She was a choreographer for United Artist Studio, Hollywood, and has lectured for colleges and high schools.

She is a member of Dance Masters of America and Dance International, and was President of Associated Dance Teachers of Southern California in 1955-56. She is a Convention Faculty Teacher, is on the Ballroom council of America and is presently Principal of Associated Dance Teachers of Southern California.

Secretaries Will Meet

The Ontario Legal Secretaries Association will hold its monthly meeting on Wednesday, Nov. 19, at 7 p.m., with dinner at Griswold's Restaurant, Claremont.

An interesting and informative program has been scheduled and will feature Mertie M. Ynger, Treasurer of Legal Secretaries, Inc. Credit Union. She will discuss the benefits of joining the Credit Union and information regarding how to become a member.

Also to be discussed at the meeting will be plans for the December Christmas meeting where there will be a \$100 bill given away to the lucky holder of a ticket drawn at that time. Tickets are now being sold by the members for \$1.00 each and will continue until Dec. 17. Each member has also been requested to bring to the Christmas meeting a small wrapped toy marked for a boy or girl and these will be donated to a charity group to be announced at the meeting.

All interested persons wishing to attend the dinner program please contact Joy Watling, 986-1134 by Monday, November 17.

Cup 'n' Candle Installs Officers

The Cup 'n' Candle Club recently installed officers for the coming year. The event was held at May Co. Valencia Room.

Installing officer Adeline Herndon installed Ann Hunt, president; Pat Weeks, vice-president; Ruth Hart, secretary and Dorothy Faris, treasurer.

Eastern Star Celebrates Fifty-Third Birthday

Upland Chapter of the Order of Eastern Star, celebrated its 53rd birthday with a turkey dinner served in the temple preceding the regular business meeting.

Associate matron, Mrs. Robert Prest and worthy patron, Harvey Wilkin presided at the business meeting.

Mrs. Irene Furlone, deputy grand matron for 1969, was escorted and seated in the east. Also escorted were 12 past matrons and four past patrons. Mrs. Irene J. Mundis, Abidel Chapter, Kansas City, was introduced.

Receiving 25 year certificates for membership were Mrs. Halley Bartholomew, Mrs. Anthony

CLOWNING AROUND...? Shelley Sullivan, 5, clowns around with the giant clown face which will be used for bean bag throwing at Cabrillo school's PTA Fiesta De Cabrillo carnival, Saturday, November 15, from 11-6 p.m. Games, prizes, and food booths will be featured at the event.

TOYS FOR TOTS -- Members of the Cucamonga-Alta Loma Woman's club work on toys for the OPARC school for retarded children. Mrs. Ivan Crumpacker, left, and Mrs. Pauline Rugg put the finishing touches on a "braille" alphabet.

Woman's Club Creates Toys For Retarded Children's School

The health and welfare committee of the Cucamonga-Alta Loma Woman's Club is making educational toys and teaching aids for students at OPARC, OPARC, Ontario-Pomona Association for Retarded Children, is a parent sponsored school.

The school program for mentally retarded children, has as its goal, the development of social acceptance and economic

usefulness at home and in a limited environment.

Members of the woman's club are constructing hand puppets, plastic covered foam-rubber blocks and forms, and alphabets consisting of large black letters on a white background. They have formulated a special alphabet constructed of sand paper to be felt by the sightless child. Mrs. Harlow Hummel, health

and welfare chairman, said toys would be delivered to OPARC this week.

Working with Mrs. Hummel are Mmes. Richard Clabby, assistant chairman; Pauline Rugg, Ivan Crumpacker, Ralph Santolucito, George Hanlon, Dale Gross and James McCulley.

The toy project is a continuing program throughout the woman's club year.

HAY THERE... Michelle Gregg and Terri Snyder bury Shelly Sheridan in mounds of hay, as they prepare for the Junorette's Hay ride and Bar-B-Que which was held at the Cottonwood Glen Stables in Chino recently.

TEENAGERS MARCH FOR CHARITY -- Jodie Beck, Cucamonga, and Susan Zievers, Upland, are the chairman and co-chairman for the Danny Thomas sponsored Teenage March, Nov. 14-22. Teenagers throughout the nation join together and gather funds for a program called ALSAC (Aiding Leukemia Stricken American Children).

PRESENTS CHECK - Charles Althouse, president, Upland Rotary Club, presents a check for \$100 to Mrs. Briscoe Root, Foothill Council PTA representative. The money will help defray the cost of distributing a color brochure on the dangers of using drugs. The brochure is sponsored by the council and is given free of charge to teenagers and families.

BOOKED UP . . . Denise De Salvo and Raymond Dobick of Pioneer Junior High pile up some of the paperback books that have been collected so far by Mrs. Marty Mann's third period English class for the Upland library. The drive and contest is in response to the library's call for a paper back section to be added to the library and anyone may donate towards their goal of 500 books.

Area Residents Serve On Board

Serving on the American Cancer Society Board, San Bernardino County Branch, are, Mrs. Edward Cavanaugh, Dr. Robert Kirshbaum, Dr. Melvin Kornblatt, Mrs. Gerard (cq) Rawle, and Dr. H.Y. Yanamura, from Upland and Miss Ada Cooper, from Cucamonga.

Uplander Named To Dean's List

The Dean's List has been released by California State College, Los Angeles, for the recent Summer Quarter.

To be eligible for the Dean's List, an undergraduate student must earn a minimum grade point average of 3.4 in at least 12 units of work, and rank in the upper 5% of students in his academic school.

Among those named to the Cal State L.A. honor roster from this area was:

UPLAND - Warren Marshall, 341 Sinclair, Upland.

Cucamonga Student Resident Hall Aide

Ann K. Facknitz, daughter of Mr. and Mrs. Konrad A. Facknitz, PO Box 313, Cucamonga, will be serving as an off campus informal hall staff member near the campus of the University of California, Santa Barbara.

Miss Facknitz will serve in Tropicana Gardens.

The off-campus privately-owned residence hall is located in Isla Vista, the student community adjacent to UCSB.

PULSE of the PLAID

By Barbara Popdak

VARSITY GAME

Tomorrow night, Nov. 14, our varsity football team will play Bonita here at 8 p.m. in our last game of the season. After the Upland Highlanders bomb the Bearcats, a dance will be held in the cafeteria from 10 p.m. till 11:30 p.m.

SLUMBER PARTY

Girls' League is sponsoring a slumber party in the gym tomorrow evening at 9:30 p.m. "Wait Until Dark," a suspense film, will be shown. Other activities such as pillow fights and pizza eating contests are scheduled for the girls.

SENIOR BBQ

The Senior Bar-B-Q and Powder Puff Football Game will be held Wednesday, Nov. 19. The barbecue, which is open to all UHS students and faculty will commence at 7 p.m. The football game between the senior and junior girls will start at 8:30 p.m. The public is invited to see the weaker sex battle it out in our football stadium. Tickets for the barbecue may be purchased for \$1 and those for the football game may

be purchased for \$.50.

DITCH DAY

All the profit from this event will go toward the senior ditch day on June 8. Ed Butts, senior class president, encourages everyone to buy a ticket for this fun-filled feast.

SURF 'N SKI CLUB

A new special interest club is being formed on campus. The Surf 'N Ski Club, under the leadership of Jon Marsh, president, and Mr. Martini, advisor, has already planned a skiing excursion at Lake Arrowhead this month. All interested juniors and seniors are invited to become members of this club.

SCHOOL SPIRIT

School spirit is extremely high this year. The class of 1970, which had been unusually quiet during its first three years at Upland High, has suddenly come out of its shell to win the spirit award at four of the five pep rallies. This feat was considered impossible because the senior class has the smallest amount of members.

Keep up the spirit, seniors!

Smoke Signals

By Cindy French

ASB

ASB sponsored an assembly on Nov. 6, featuring Dr. Tom Bade, a child psychologist from Glendora. Besides the assembly in the day for the students, Dr. Bade presented a program for the PTA. He spoke on the so-called "Generation Gap," and presented a very interesting talk.

The ASB has undertaken the project of selling zip code books to raise funds for future activities.

JUNIOR CLASS

On Saturday, Nov. 15, the Junior class is sponsoring a stag dance. This is just one of their present activities. Besides selling programs at football games,

they have shown their school spirit by winning the spirit contest twice at pep rallies. Congratulations Juniors.

FOOTBALL

Tomorrow night is the last regular league game for the Braves. Everyone is welcome to come and cheer the Braves on. Kickoff is at 8 p.m. at the Chaffey College stadium. Good luck Braves!

LEADERS' CLUB

On Nov. 17, the Leaders' Club is having an ice cream cone sale. This is an effort to raise funds to purchase goggles for the girls' swim team and to help in sponsoring other activities.

Sr. Citizens Win Awards

Three local members of Senior Citizens Clubs won awards at the Second Annual Senior Hobby Show sponsored by the Senior Citizens Clubs of San Bernardino County.

An estimated 60,000 people viewed the 113 exhibits on Oct. 23 and 24. The hobby show was held at the Inland Center, San Bernardino.

Local residents who were awarded ribbons were Pauline Rugg, second place-art category; Marie Whitto, fourth place-needlecraft category and Emil Schmutz, second place-woodwork category.

Nazarene's Plan Revival Services

Special revival services will be conducted at the Upland Church of the Nazarene, 120 W. 9th st., beginning Monday, Nov. 17, continuing through Sunday, Nov. 23 at 7:30 each evening except Saturday, with the Rev. Paul Martin as the evangelist.

Rev. Martin, of Berkeley, is one of the outstanding evangelists in the Church of the Nazarene. His father, the late Dr. E. E. Martin, was a well-known pastor and educator.

Rev. Irving E. Sullivan, pastor, will serve as director of the music and soloist for the meeting. The public is cordially invited.

Local Minister Will Lecture

Mr. George McElroy, minister of the Alta Loma Christian Church, Alta Loma, will lecture and direct discussion on the subject, "Church Growth Through Small Groups," at the Pacific Christian Convention regional session, held in the Hillcrest Christian Church, 17531 Rinaldi, Granada Hills, on Wednesday and Thursday, November 12 and 13.

Pack 314 Awards Listed

Cub Scout Pack #314 held their October meeting recently at the Monte Vista School. Opening Flag ceremony was given by Den #1. Den #4 gave the skit.

Birthdays that were celebrated were: Benjamin Suarez who received a Cub Scout coin, Wally Martin and Terry Carson were given Boy Scout coins.

Richard Sorenson received a one year pin, Marc Whipp a two year pin and a three year pin was presented to Donald Reeves.

Denner badge went to Ryan Leader and assistant Denner to Benjamin Suarez, Den #5.

Recruiter stripes were won by Donald Kernene and Doug Waddell.

Arrows that were awarded went to the following boys: Terry Carson, Two silver under Bear, Jim Plumb received 3 silver.

Terry McIntosh was given a Wolf badge, 1 Gold arrow and two silver arrows, under wolf.

Webelos activity badges went to: Steve Orvis, Forester and Mark Senkle, showman and sportsman.

Terry Carson and Wally Martin were graduated into Webelos, Donald Reeves graduated into Boy Scouts.

Mrs. Dru Croll is the Den mother for Den #5, which is new. Mrs. Mary Peterson is the new Den mother for Den #10.

October 15th was recruiting night for new Scouts and their families. Pack #314 is sponsored by the Lehigh PTA and they held their recruiting there. There was a good turn out of all.

NROTC Test

The deadline date for making application for the Regular NROTC qualifying examination is fast approaching. Applications must be received by the Science Research Associates on or before Nov. 14. Applicants will participate in the nationwide competitive examination on Dec. 13. The only date on which the examination will be given, as the first step toward college education and a regular commission in the Naval service.

All tuition, fees, and books are furnished by the Navy, and the student receives a subsistence allowance of \$50 per month for not more than four years. During each summer between his college years, a midshipman participates in interesting at-sea training periods.

High school seniors and graduates who will be entering college in September 1970 and who will be at least 17 but not 21 years of age by July 1, 1970 may apply for the Navy College Aptitude Test. Those who make a qualifying score on the Navy

College Aptitude Test (NCAT) will be given a medical examination and will complete their applications in January and February of 1970.

Applications for the NCAT are available at local high schools, and from the Ontario Navy Recruiting Station. Further information may be obtained by contacting Petty Officers Bob Kapher and Bob Springer at 684-8624. Applications and booklets will be mailed upon request.

ORDINANCE NO. 864
ORDINANCE OF THE CITY COUNCIL OF THE CITY OF UPLAND AMENDING ARTICLE III CHAPTER 2 OF THE UPLAND MUNICIPAL CODE ESTABLISHING WEIGHT LIMITS ON SECOND AVENUE BETWEEN SEVENTH AND EIGHTH STREETS AND ON SEVENTH STREET BETWEEN EUCLID AND MOUNTAIN AVENUES.

The City Council of the City of Upland hereby ordains as follows:
SECTION 1, Part 12 of Chapter 2 of Article III of the Upland Municipal Code is hereby amended by the addition of Section 3311.11 - Weight Limitation of Vehicles Using Second Avenue Between Seventh and Eighth Streets, to read as follows:

"Section 3311.11 - Limitation of Weight of Vehicles Utilizing Second Avenue Between Seventh and Eighth Streets.

No person shall operate or drive any vehicle weighing over 6,000 lbs. gross weight along or on Second Avenue between Seventh Street and Eighth Street."

SECTION 2, Part 12 of Chapter 2 of Article III of the Upland Municipal Code is hereby amended by the addition of Section 3311.12 - Weight Limitation of Vehicles Using Seventh Street Between Euclid Avenue and Mountain Avenue, to read as follows:

"Section 3311.12 - Limitation of Weight of Vehicles Utilizing Seventh Street Between Euclid and Mountain Avenues.

No person shall operate or drive any vehicle weighing over 6,000 lbs. gross weight along or on Seventh Street between Euclid Avenue and Mountain Avenue."

SECTION 3, This Ordinance is hereby declared to be an Emergency Ordinance adopted for the immediate preservation of health, safety and welfare of the citizens of Upland by virtue of the following existing conditions: both Second Avenue between Seventh and Eighth Streets and Seventh Street between Euclid Avenue and Mountain Avenue are designated in the Master Plan of streets as residential only and are comparatively narrow streets constructed with sub-base and paving thicknesses to support automobile and light truck traffic; on each side of both streets the homes are principally single family residences; Seventh Street has an elementary school located upon it creating a concentration of young children, with the attendant hazards both to children and to vehicles. The narrow streets do not provide adequate room for passage of heavy trucks. The noise of large trucks is deleterious to the environment of that residential area and creates safety hazards to the many children living within the areas delineated. This Ordinance shall go into effect immediately upon its passage.

SECTION 4, The Mayor or the Clerk shall certify as to the passage and adoption of this Ordinance and shall cause the same to be published at least once within fifteen (15) days after its passage, in the Upland News, a newspaper of general circulation, printed and published in said City.

Braves Stay Alive In Hacienda Loop

An Alta Loma team that hasn't had an aerial attack since the days of "Rocky" Long, came to life last Friday night to keep the Braves in title contention by defeating Sierra Vista 21-12.

Gordon Youngblood broke the ice with a 42 yard scoring bomb to Terry Carlson, who was all alone on the right side after completely outmaneuvering the defensive man. Carlson then added the PAT and the score was 7-0.

Mark Butters led a charge that blocked a punt and led to the Braves' second touchdown. The score came on a handoff from Youngblood to Greg Lester who tossed the ball on an option play to Carlson, again all alone in the end zone.

Sierra Vista revived its chances on a 43-yard scoring aerial from Jim Escarjuri to Jim Fine in the second period, and a crowd-pleasing 78 yard run by shifty Craig Clark in the third period.

The Braves put the game out of reach when they drove 75 yards, all on the ground, that ate up over 5 minutes of the clock. The drive was capped by a 4-yard end sweep by halfback Lester in the final period.

Sierra Vista went to the air often, but fine secondary work by Youngblood and Lester and an interception by John Vasquez halted any threat of victory for the home team.

Alta Loma is still tied with Ontario for the lead in the Hacienda League with identical 5-0-1 records, the tie coming when they played each other. The Braves return to Chaffey College next Friday night to host the 1-5 Walnut team. The Braves should

find an easy time of it, while Ontario has to go against a good

Workman team, now 4-2 in loop play.

Panthers Pounce On Palomar

The Chaffey College Panthers won their final home game of

Ganesha Trips Cavaliers

Montclair High School found out why Ganesha High's Robert Ferrell is the league's leading scorer Saturday night when they watched him score five touchdowns and run for 242 yards in the first half and lead the Giants to a 44-6 rout. In fact, all of the Giant scoring came in the first half as the Giants used their subs for the entire second half.

Ferrell, who has scored 13 touchdowns this season in league play, destroyed the Cavalier defense in amassing 242 yards out of the 302 total for Ganesha.

The outcome of the game might have been different if it weren't for the Giant secondary of Tony Madrigal, Stuart Hoxsey, Barry McDonald, and Rickie Robinson, who each came up with an interception to stop Cavalier drives.

Ganesha bounded into the lead on a 58 yard drive, capped by a 2 yard plunge by Ferrell, who added the two point conversion himself.

the season last Saturday night as they upset Palomar 17-15 in Mission Conference play. The Panthers utilized the powerful running of Lee Weiston to puncture the Palomar front line to open the way for Chaffey's passing attack.

The first quarter was a defensive battle as the Panthers, who have finally recovered from innumerable injuries, came to life and refused to give any ground. The first score of the game was a gift. Chaffey was stopped deep in their own territory and was forced to punt. The punt was short and most of the Panther players overran the ball. A very alert Comet picked off the ball on the first bounce and raced untouched to the Panther 8 yard line where the speed of Weiston caught him from behind. Three plays later the Comets had a 7 point lead. Powerful Tony Latuligasena punched his way over from the three.

The winning margin was provided for by Gary Rasmussen's 28 yard field goal in the fourth quarter. Palomar came back to score once more, and scare the Panther fans, not to mention Panther Head Coach Willie Richardson, but the defensive line took hold and assured a Panther win.

Chaffey is now 2-3 in conference play and 4-4 overall. They will go against the conference leaders, Grossmont College, next Saturday at Grossmont.

Highlanders Chuck and Shawn Staack played key roles in Upland High's upset victory over Claremont last Friday night 15-3. Claremont went into the contest heavily favored but didn't take into account the powerful Highlander defense.

To top it all off, this was Claremont's homecoming game, a game that they had never lost. Head Coach Pat Bandy especially praised the job done by the Staack brothers, but emphasized that the team worked well as a unit.

Chuck Staack not only played well on defense, but was the Clan's offensive standout in amassing 44 yards on 10 attempts and three first downs.

Oddly, all of the Upland scores were set up by Claremont miscues. Halfback Henry Garcia did not let the situation pass as he scored Upland's first touchdown and had 31 yards on 11 carries. The Highlander offense proved

to be effective in the initial quarter as they took the opening kickoff 48 yards in 9 plays to the Pack's 5 yard line, where on 4th and 4 Steve DiSilvestro connected for a 21 yard field goal.

The Upland defensive completely controlled Claremont's strong running attack, but the Scot's offensive unit was not able to substantiate another drive.

On the first series of plays in the second half, the Scots forced the Pack to punt. However, the center was a little over anxious as he sailed the ball over the head of punter Ken Barker. Barker picked up the ball but was immediately tackled on his own four yard line.

On the very next play, Garcia punched his way over to give Upland a 9-0 lead.

The Pack began to move behind the running of Blaine Warhurst, who had 94 yards on 26 carries, and got the ball within field goal range of the foot of Eddie

Shaw.

In a repeat of his earlier antics, the Pack's center again sailed the ball over Barker's head. This time the frustrated punter was brought down on his own 11 yard line.

Three plays later, Quarterback Neal Boring scored on a quarterback sneak for the final score of the game.

Upland plays host to league-leading Bonita Bearcats at Upland Field this Friday night. Game time is eight o'clock. The Bearcats are heavy favorites and will be ready to show why Allen Carter is the most feared runner in the league.

Bonita also boasts of a rugged fullback in Charlie Schuhman. Schuhman actually has scored more points than Carter in league action but has several PATs to his credit. This is not to discount his prowess at running the football. When the opposition keys on Carter, then Schuhman destroys them, just ask anyone from Montclair!

HALFBACK STAN MC CUEN -- Hauls in a Joe Brogdon aerial on a screen pass in Chaffey college's 17-15 come-from-behind upset win over Palomar. This play netted 38 yards as Jim Tichich (66) took care of Gary Eaker (54) while Daniel MacIntosh (50) and Dale Bailey (53) provided downfield blocking.

Women Internationally Thank Pat Walker For New Figures

... they reduced effortlessly, in complete privacy, without disrobing or strenuous exercise

HAWAII

HAWAII—Left to right are Mrs. Eleanor Sasaki, Mrs. Leonora Lopez, Mrs. Florence Ng, Mrs. Lillian Yannell, Mrs. Alice Hugo, Mrs. Eleanor Pitts, Mrs. Christina Dunlap, Mrs. Mary J. Smith, Miss Carol Ho, Mrs. Hazel M. Kealoha, Mrs. Eula M. Smith and Miss Judy Dial.

MRS. ELEANOR SASAKI, HONOLULU, a working wife, was embarrassed when reprimanded at work, because of her weight gain and appearance. With the Pat Walker program she reduced from a size 18 to a size 12 and she is still going down.

MRS. LEONORA LOPEZ, KAILUA, tried calorie counting without results, so her husband suggested she try Pat Walker. She reduced 8½ inches from her abdomen and 8½ inches from her waist and as a result she felt much younger and received many compliments from her family and friends.

MRS. FLORENCE NG, KAILUA, was told by her husband, "You better go to Pat Walker's." Mrs. Ng reduced from a bulging size 14 to a size 10 and she is still going down.

MRS. LILLIAN YANNELL, HONOLULU, "After only a few treatments I began losing inches and weight. My hips were one of my major figure problems and diet alone never seemed to help. In the first two weeks I lost over 2 inches from my hips alone. I have continued to lose and am still losing."

MRS. ALICE HUGO, KAILUA, weighed 166½ pounds and had dieted for months before she took her weight problem to Pat Walker. With her husband's encouragement, she lost 33 pounds in a few months and is still going down.

MRS. ELEANOR PITTS, KAILUA, "I didn't think the Pat Walker program would work for me, but I soon discovered I was mistaken. I am happy to say I now wear a size 9 dress. My husband is proud of my new appearance and he thinks I look 10 years younger."

MRS. CHRISTINA DUNLAP, KAILUA, "I tried every reducing pill and diet I could find and yet my

weight kept going up and up. I was despondent and ashamed of my size." Mrs. Dunlap reduced from 251 pounds to 142 pounds and she is still going down.

MRS. MARY J. SMITH, HONOLULU, "My husband was deployed on a Naval Operation when I made my first visit to the Pat Walker Salon. I had been on the reducing program for only 3 months when my husband returned. I wore a size 24 when we said good-bye and to welcome him home I wore a size 14 and I am still going down."

MISS CAROL HO, HONOLULU, was a 161 pound size 18. Her sister-in-law suggested she try Pat Walker to reduce. She reduced a total of 44½ inches and from a size 18 to a size 12 and she is still going down.

MRS. HAZEL M. KEALOHA, HONOLULU, had been overweight for years. She said her children thought that "Mommie was always fat," with the Pat Walker program she reduced from a size 16 to a size 12 and she is still going down.

MRS. EULA M. SMITH, HONOLULU, said, "Being so busy as a housewife and mother, I just couldn't seem to overcome my weight problem. Now with my family grown-up, I work as a sales clerk so I became aware that it was more important than ever to have a trim appearance. Going to Pat Walker's has certainly brought results. In only a few months I reduced 42 pounds and 42 inches."

MISS JUDY DIAL, HONOLULU, enjoyed gourmet cooking. She became a size 16 and realized she would have to pass a physical to become a nurse. She wanted to reduce and as a last resort, tried the Pat Walker program. She reduced 6½ inches from her abdomen, 5 inches from her hips, 3½ inches from each thigh and she is now a trim size 12.

AUSTRALIA

MRS. E. WEYMOUTH, ASHFIELD, N.S.W., "I had been overweight for many years and by strict dieting I managed to lose some weight but I couldn't come down as much as I needed to. I was feeling doomed to being overweight and uncomfortable until I visited the Pat Walker Salon. Now only half way through my treatment I have reduced 17 pounds and lost 29 inches over-all. My posture has improved, my step is lighter and quicker. Without reservation I recommend Pat Walker's Program."

MISS P. HURMAN, FIVE DOCKS, N.S.W., had tried various tablets and diets but she said they had a bad effect on her nervous system. Half-way through her reducing program with Pat Walker, she writes, "I am absolutely delighted with my results to date and I feel much better in health." Miss Hurman has reduced 27 pounds and 35½ inches over-all. She says "I am so glad I heard about the Pat Walker Salon and sincerely thank them for helping me."

MRS. R. PHILLIPS, CHIFLEY, N.S.W., "being overweight was my big problem in life. I went to Pat Walker's Salon in response to her 'before and after' pictures in the papers, and I'm astounded with the ease and comfort in the way I have already lost 52 pounds in weight and 61 inches over-all. I feel so much improved in health and I enjoy my regular visits to the Salon. I strongly recommend anyone with weight problems to come to Pat Walker's and have them solved."

MRS. N. BARTON, WEST LINDFIELD, N.S.W., "I was tired of hiding my bulging figure under a boxy coat and wearing whatever clothes I could fit into. I have come down 32 pounds and 47 inches. My friends tell me I look better and I certainly feel it in every

way. My back, which has ached for years, is now so much improved that I walk with lighter step and enjoy much better health."

MRS. R. MASKELL, DRUMMOYNE, N.S.W., "I am a grandmother fifty-three years old. All my life I have been 'big' and at thirty I weighed 175 pounds and at forty-five I had not only got 'the middle-aged spread' but my weight had crept up to 203 pounds. I tried various diets without success so I decided to see for myself if Pat Walker's Salon could do anything for me. I have lost to date 21 pounds and 27 inches and I'm taking an interest in fashion again. They say life begins at forty. Well, mine began when I walked into Pat Walker's Salon."

MRS. V. LEONARD, BELMORE, N.S.W., "Even after the first treatment I felt wonderful. I have now lost 50¼ inches and 32 pounds weight. My friends are amazed at the change in me, both in looks and health. I have been free of pain for weeks and I feel like a new person. I am not yet half way through my treatments, which are so pleasant and relaxing. There are no exercises or rigid diets. My health is so much better thanks to Pat Walker's treatments."

MRS. J. FULHAM, BEVERLY HILLS, N.S.W., Not so long ago my 12-year-old son said to me, "Gee, Mum, I wish you were thin like John's mother." His remark hurt me so much I decided to see if Pat Walker could help me. Since I have been taking regular treatments with Pat Walker I feel like a new person. I have lost 21 pounds and 40½ inches over-all. Words cannot express my gratitude to Pat Walker and her wonderful staff, for solving my figure problem. I will never regret the day I decided to visit Pat Walker."

AUSTRALIA—Left to right with Pat Walker are Mrs. E. Weymouth, Miss P. Hurman, Mrs. R. Phillips, Mrs. N. Barton, Mrs. R. Maskell, Mrs. V. Leonard and Mrs. J. Fulham.

CALIFORNIA

MRS. BERNICE ASBURY, LAKEWOOD, "Now, I truly enjoy going in a store to buy a size 12 dress. I am not embarrassed any more when a sales clerk asks me what size I wear, for I don't have to say size 20. I can look in the mirror now without having to look at rolls of ugly flab and fat. Now, I see only firmness; I am more active in church and school work because I feel so much better. Best of all, my husband says I am the most glamorous grandmother in town."

MRS. FLORA B. LANDERS, PASADENA, "I had gained so much weight that I had to wear a size 16 dress and became much too heavy for my build and felt so matronly. I now wear a size 10 dress and have just remarried and have a very admiring husband. We spent our honeymoon in Hawaii where I really enjoyed wearing a bathing suit again. I can't say enough for the Pat Walker Program."

MRS. DANA FELKNER, ORANGE COUNTY, "I had just about decided I was meant to be a chubby gal. Then I read about Pat Walker's Program. A few weeks after starting I knew this was what I had been looking for; to be able to relax, be lazy and still lose weight. It's wonderful. I fully recommend it for any woman with a weight problem."

MRS. CHARLOTTE CULLEN, LONG BEACH, "There aren't words enough to express my gratitude for giving me a new figure that I can be proud of. I have always had large legs and was embarrassed to be seen wearing a swim suit but I went out and bought one, the first time in 12 years."

MRS. DORIS FERNANDEZ, LOS ANGELES, "Sympathetic with my unsuccessful attempts to lose weight on my own, my husband finally told me, 'Go see if Pat Walker can back up all that advertising! It was a case of buying a whole new wardrobe, size 18, or reducing to buy me back into my size 16's. And maybe, if

I was real lucky, into a couple of 14's I had so hopefully clung to. That part didn't quite work out. I quickly bypassed the 16's, the 14's had to be greatly altered and I still have to buy a whole new wardrobe, now size 12."

MRS. PAULINE G. MORTON, ORANGE COUNTY, "I never thought I would ever see the day that I would be one of the women I've read about in the Pat Walker advertisements. It was a wonderful experience that I shall never forget. I must admit that I never really believed the advertisements, until now, and I can say that the Pat Walker Figure Perfection Salons' advertisements are for real. Now that my dream of being slim is no longer a dream, I hope my being in the 'Before and After' advertisement will help other women to realize that with the Pat Walker reducing program, dreams do come true."

MRS. LYNN HAYS, ORANGE COUNTY, "I had a successful career in Real Estate until surgery stopped me. After surgery and months of convalescence with little exercise, my weight was out of control. I tried many reducing methods and all were very unsatisfactory. Within two weeks improvement was certain with the Pat Walker Reducing Program. Results were steady and my general health and circulation improved. I reduced from a 169-pound size 18½ to a 121-pound size 10. This business world is much easier to face in a trim dress size."

CALIFORNIA—Left to right are Mrs. Bernice Asbury, Mrs. Flora B. Landers, Mrs. Dana Felkner, Mrs. Charlotte Cullen, Mrs. Doris Fernandez, Mrs. Pauline G. Morton, Mrs. Lynn Hays and Pat Walker.

The letter on the right, invites you to come in or call for a (FREE) trial treatment and figure analysis without obligation and from the analysis we will tell you where you are going to lose, how long it will take and based upon \$2.00 per treatment we will tell you exactly how many treatments you need and the exact cost of your figure correction. It will be your decision whether you reduce professionally with us or not, and if you should so decide, we will give you \$20.00, this week only, to be applied on your personalized Pat Walker figure correction program.

With Pat Walker's new computerized program you can reduce quickly, easily and effortlessly without rigid diet or strenuous exercise, without disrobing and in complete privacy. You will lose where you need to lose and you'll enjoy doing it. Pat Walker's new computerized equipment and program makes reducing a pleasure. You have nothing to lose but pounds and inches with Pat Walker's Figure Perfection Program. (For a (FREE) trial treatment and figure analysis without obligation, come in or phone 8 A.M. to 9 P.M. Monday through Friday; Saturdays, 9 A.M. to 2 P.M.)

SPECIAL REDUCING OFFER

Dear (Miss) (or Mrs.) (Write In Your Name) November 10, 1969

If you feel that your figure problems are next to hopeless, if you think that reducing will work for everyone else but not for you, if you think you are too old, or too young, or too flabby, or that being overweight runs in your family, or that your bone structure is too large, or too small, or that you have waited too long, or that you have an impossible reducing problem, or if you have found some unique, special excuse for your overweight problems, then this letter, which may be used as a special incentive offer valued at \$20.00, may be used by you to start reducing now, so that you too can enjoy Fall and the Holiday Season ahead with a new figure that you will be proud of, because you too can reduce quickly and easily, in complete privacy, without starvation diets as over 5,000,000 women have done with our program.

If you should make the decision to start reducing now you may use this letter valued at \$20.00 this week only and apply it to the cost of your figure correction.

Sincerely yours,

Pat Walker

Kaiser Pledges Measures To Aid In Smog Battle

San Bernardino County Supervisors expressed satisfaction, Oct. 28, with Kaiser Steel Corporation's explanations of the progress being made toward solving air pollution problems at its Fontana mill but declared they will continue pressing for tangible results.

A renewed attitude of cooperation between county officials and industries emerged from informal discussions of variances under which emissions from Kaiser Steel and plants of two other major companies are permitted to exceed county standards.

The attitude was encouraged in large part by Southern California Edison Company's report that the variances it has for its power generating plants at Loma Linda and Highgrove will no longer be needed next year and by Southwestern Portland Cement Company's report that it does not plan to use two Victorville kilns for which it has variances.

Kaiser Steel spokesmen said the corporation is nearing the design stage for equipment that could bring the mill's sinter plant into compliance within a year or two. It is the sinter plant stack from which most of the mill's visible emissions flow.

A tougher problem, involving two of the plant's seven huge batteries of coke ovens, could be solved completely and permanently within four or five years, they said, unless the mill is forced to adopt a probably temporary and not completely satisfactory solution earlier.

'Milk And Honey' Opens Light Opera Season

With Michael Quinn as its effulgent star, "Milk and Honey," one of Broadway's biggest musical hits of the early 1960's, will open San Bernardino Civic Light Opera's 23rd season.

Michael Quinn will be making his debut to Inland Empire audiences in a big way when he sings "Shalom," one of the high song hits from the show for it means "twice as much as hello."

"Milk and Honey" is the high spirited musical throbbing with the restless rhythms of the pioneer people who are building a new nation in the Israeli desert. The show opens Nov. 7 in the California Theatre of Performing Arts and will continue for seven performances through Nov. 15.

Quinn, who possesses a beautiful baritone voice, will portray the role of "Phil," the retired American contractor who goes to Israel to visit and finds romance. Metropolitan star Robert Weede created the role for the original production on Broadway.

Michael Quinn, a native of Boston, is a graduate of the New England Conservatory of Music and the Philadelphia Academy of Vocal Arts.

He has performed featured roles with the New York City Opera and the NBC Opera Companies in "Tosca," "Madame Butterfly" and "Marriage of Figaro" among others.

Mr. Quinn has had featured roles in ten Broadway musicals including "Fiorello," "Little Me," "Hello Dolly" and "Walking Happy."

He made a transcontinental tour with Sid Caesar and Imogene Coca in the television Show of Shows.

Recent television appearances as a dramatic actor include "Land of the Giants" and the "Bill Cosby Show."

Tickets for "Milk and Honey" as well as season tickets, including "110 in the Shade" and "Man of La Mancha," are available at the office, 2079 North E Street, by writing to P. O. Box 606, San Bernardino.

THEY'LL COMPETE SATURDAY -- Mrs. Cecil Sanders, baritone, from left; Mrs. Donald Keepers, lead; Mrs. Robert Spalding, bass; and Mrs. Purvan Freese, tenor, will represent the Pomona Valley chapter of Sweet Adelines at annual novice quartet competition this Saturday, Nov. 15, at China Lake. The Pomona Valley chapter is also seeking more members. For more information, call 624-9561.

Wide Selection Gifts

Hamilton's gift department has grown into a very interesting and exciting part of the stores. Broad selections of gifts for all seasons and all occasions are carried in order to satisfy the needs of the customers. Keeping ahead of the trend in styles of gifts and home accessories is the aim at all times. In order to accomplish this, Hamilton's place special emphasis on frequent and thorough marketing. They do a great deal of their buying in the permanent showrooms in Los Angeles and they shop weekly. They also attend the gift shows for first-hand view-

ings. Many selections of jewelry and gifts have been personally made in various countries in Europe.

Examples of their quality imports include wooden articles from Spain which are created and designed in the true Mediterranean style and are handcrafted in the villages of the Cataluna Mountains, and the beautiful jewelry fashioned in Austria and West Germany.

Since our customers are our most important asset, we keep them in mind above all else. We specialize in giving the customer personal attention, service and quality merchandise. A very helpful, cheerful and po-

lite sales force is always ready to help with information and selection. Seeing the feeling of enthusiasm from our customers is very gratifying states David Hamilton—President of the company. "We like to put shoppers in a happy frame of mind, consequently, we've tried to make our stores a place for them to enjoy and to turn shopping into a fun experience. We encourage browsing and change our featured displays often to interest our customers."

In reviewing the many changes that have taken place

since his father founded the first Hamilton store forty years ago, Mr. David Hamilton notes with interest that the customer has changed, too. He is younger, or thinks younger, is better educated, well-traveled, and wants more than the bare necessities of life. He demands better quality, better design, and more fashion and this is reflected in his selection of up-graded merchandise. To serve and please their many valued customers is the prime goal of the owners, management and entire staff of Hamilton's experienced employees.

Greatest Selection Stationery, Greeting Cards & Party Goods

The stationery, greeting card and party goods section of Hamilton's could certainly be considered a store within a store. An especially wide range of these products are provided to cater to the various needs of our customers. We carry the convenience or popular-priced lines of stationery and parties items for the person who may wish this line for their daily use and the quality lines for occasions of more importance. Thus, our object to provide merchandise and service for all is accomplished.

The growth of Hamilton's greeting card and social stationery department is of special interest and reflects the buying trends of the American public. Sending cards is no longer a nicety, it's a social necessity, and the young and old delight in it. Every year the volume of cards sent goes spiraling up, as the post office groans under the weight of Christmas cheer.

Approximately 20 million greeting cards pass through the mails each day. The National Association of Greeting Card Publishers estimates that 7½ billion cards (including Christmas cards) are mailed each year. Indeed, sending greeting cards has become a great American custom.

Cards have been accepted as an avenue of communications by new groups of people. Once, greeting cards were thought to be for women, now men use them and the young people really love them.

As for stationery it is an extension of the writers personality. It can be flamboyant, serious, colorful, formal or informal. Hamilton's carry designs that appeal to everyone. Our customers may like to be fancy or flowery or bright and bold—but most of all they want to say "Me."

The bright young look appeals to many and especially to the teenager. Teens want sta-

tionery with a distinctive look that reflects their personality, their interests and their color preferences. Extremes are popular, so that both mini and oversize pages are in evidence. Scented papers are loved by all ages and the Zodiac, of course, has become just as popular with teens as it is with the adults.

To round out a complete paper department, party goods are given particular emphasis in the stores. Party needs, party favors and accessories are stocked. Featuring such items as party hats, party papers, small novelties, games and decorations, the customers can complete their children's or adult's party by making a one-stop visit to the paper goods department.

As Mr. Hamilton points out, the store keeps a constant watch on changing trends so that the newest selections and variety are always available to the customer.

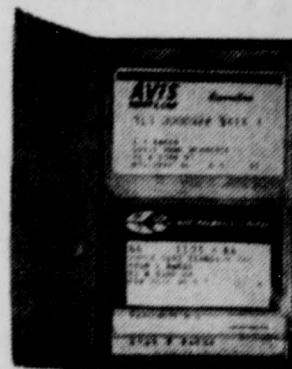

Hamilton Team

at the University of the Pacific in Stockton, Calif. While there they were members of the Phi Delta Chi Fraternity, a social and professional organization, and the student chapter of the American Pharmaceutical Association.

Donald and his wife, Ila, have a ten-month old son, David Donald Hamilton. Douglas and his wife, Ellen, have a five-month old son, Scott William Hamilton. Donald is the Pharmacist and manager at the Indian Hill Store, which is the chain's second largest operation unit. Douglas is a pharmacist and manager at the North Garey location, the newest and largest store. Both Donald and Douglas participate in the overall management of all five stores and take an active role in merchandising, purchasing, and managing the chain operations.

Complete line Of Buxton Billfolds for Men and Women

This pocket secretary and \$25 in cash can take you anywhere in the world.

Neat trick, the way this slim leather book opens the world to you. All you do is fill the pages with 24 cards. Like credit cards, bank passes, membership cards, identification, driver's license. (The pages are flexible Pliofilm™. Won't cloud or scratch. Nice.) With all this going for you, what do you need \$25 for? To tuck in the inside cover. For taxicabs. What more do you need?

BUXTON.

AQUAMARINE by Revlon

Make a splash with it

Here's how to give her the cool, cool, world of 'Aquamarine'. And in more ways than one. Give her the Beautiful Basics: Spray Mist, 2 ozs. and Dusting Powder, 3 ozs. 4.75, the set. Or this Triple Treat: Spray Mist, ¼ oz., Perfume Oil Spray, ¼ oz.; and Eau de Toilette, 1 oz. \$6.00 the set.

Hamilton Has Largest Drug Supply In Area

Hamilton's Drug Stores maintain the largest stock of pharmaceuticals and biologicals in the entire Pomona Valley, according to David W. Hamilton, organization head.

Each store receives daily direct shipments of each new product direct from the manufacturer. When customers bring prescriptions to Hamilton's they may be assured of prompt and accurate service.

The new four-way rotary telephone service now in use at all drug counters makes it virtually impossible to get a busy signal, insuring quick answering service for all prescriptions.

All Hamilton's Drug Stores pharmacists are prescription specialists. Their entire time is devoted to filling and checking prescriptions only.

10 full-time pharmacists with

many years of experience work behind drug counters in Hamilton's Drug Stores.

Every compounding step is double checked for accuracy and only fresh, top quality ingredients are used.

These men feel the drug store is but one unit in a complex pattern of businesses and professions, all of which serve the needs of the community. But it is unique in that pharmacy is both a business and a profession.

A business built on service to the sick cannot be restricted to the usual business hours. The need for medicine and sick-room supplies is usually immediate and urgent. In times of widespread illness, the 24-hour day seems all too short. For this reason Hamilton's Drug Stores are open every Sunday and evenings until 9 P.M.

Accents Fashion Jewelry

Hamilton's point with pride to the jewelry section of their stores. The large amount and variety of jewelry carried has given Hamilton's the reputation of being one of the leaders in the Pomona Valley for costume jewelry fashion.

Keeping up with jewelry fashions is a very exciting activity according to Mrs. Hamilton. The costume jewelry industry actually have eight fashion seasons. The fashion-conscious buyer must view and order her jewelry well in advance in order to bring the latest high-fashions to her customers even before the start of each season.

The fashion-conscious woman wants jewelry to go with every look in her wardrobe and she takes pleasure in changing the look by the use of many different pieces of jewelry.

Mrs. Hamilton states that the Fall of '69 and Spring of '70 will definitely be tremendous jewelry seasons. The chain look will be accentuated with ropes, lariats, sautoirs and pearls all worn in multiples. It will be a dramatic year with bold new concepts—body wraps, vests, slave bracelets, foot jewelry and belts to satisfy the "pantomania." Rings are very important. Rings are being worn on all fingers. Scarf buckles, scarf rings and Zodiac jewelry are very popular.

The fashionable "old fashioned" look is important in pendants, pins, earrings, bracelets and rings. These jewelry pieces are designed with the look of heirlooms, but happily, most of them sell for \$1.00 to \$3.00.

Sales in pierced earrings continue to climb as they become ever more popular with the fashion-wise woman. Since they appeal to all ages, Hamilton's carry an extremely wide variety to please many tastes. These styles vary from the tiny mini button to tremendous hoops or cascades of rhinestones and pearls.

For the woman who desires the unpierced earrings, every style is carried that seems to be wanted, if it is available.

Mrs. Hamilton enjoys talking to the customers about their jewelry preferences. She finds this is a great help in ordering and she delights in seeking out special items that the customers request.

Prescriptions Are Our Business

Hamilton Drug Stores' pharmacies are second to none in professional pharmaceutical service to the customer. Our pharmacists are expertly trained to provide the best and safest dispensing of prescriptions and counseling in proprietary drug and health needs. We provide pharmaceutical service to the Pomona Valley seven days a week, including nights, Monday through Friday. We also provide six days-a-week free prescription delivery. In our forty years of serving the people of the Pomona Valley, Hamilton's pharmacies have filled well over one million prescriptions. Our pharmacists are engaged in continuing education to keep abreast of new items available to the medical community.

Hamilton's also offers a charge account plan which incorporates a computerized itemization of all prescription and drug purchases monthly and yearly. This enables the consumer to easily account for all medical purchases for tax purposes. Hamilton Drug Stores cater to insurance and prescription co-payment plans which are available to individuals whose employers provide such benefits.

Cosmetic Dept. Fully Stocked

Hamilton's has cosmetic departments in all their stores which are stocked with a wide variety of treatment and fragrance lines. These include Revlon, Max Factor, Coty, Dana, Du Barry, Rubenstein, Yardley and others. Hamilton's cosmetic buyer, Mrs. Del Fahey, keeps all departments well inventoried so that the woman shopping for her specific likes and desires will be easily pleased with her selections. In addition, all of Hamilton's cosmetic departments are staffed with experienced and trained cosmeticians who have many years of knowledge and ability in assisting anyone to look more beautiful.

Hamilton's cosmetic departments are not unkindful of the man. We carry the best in fragrances in all forms, sprays, powders, colognes, perfumes, oils and lotions, which are excellent gifts for the woman or woman in his life. These include Lanvin's Arpege and My Sin, Chanel, Fa-berge, Prince Matchabelli, and Sulton, to name but a few. These items are beautifully packaged for all gift occasions and especially Christmas.

Brightest gift idea of the year

Two Homebuilders To Open New Models In Diamond Bar

The rising rate of home development and sales at Diamond Bar, largest master-planned community in Los Angeles County, has accelerated still further with the opening of two additional model home complexes.

Diamond View, developed by Robert G. Sebring Construction Co., and Diamond Crown, developed by Frank Croonquist, are neighborhoods of widely diversified character. Diversity, in fact, has become the keynote of the 8,000-acre former ranch, which, as Diamond Bar, now boasts 12,500 residents within its rolling hills and pastoral valleys.

"Transamerica Development Company has been bringing the community into fulfillment of the master plan ever since 1956, and it was intended from the beginning that Diamond Bar would provide a total environment for people of a wide range of income and living requirements," says Robert M. Hunt, General Manager of Diamond Bar.

Five freeways will encircle Diamond Bar by the end of 1972, with completion of the Pomona freeway through to the Orange freeway interchange at the northeast edge of the community scheduled for spring of 1970. The increasing rate of homebuilding is a reflection of the vastly improved access that the freeway system will bring to Diamond Bar, according to Hunt.

Established schools, shopping and all the daily services a family needs are immediately accessible to residents of Diamond Bar. In addition, the Orange Freeway interchange is under construction nearby which will give Diamond Bar residents access in minutes to Pomona, northern Orange County and downtown Los Angeles.

Diamond View, a neighborhood already well established in Diamond Bar, unveils three new models this weekend, according to developer Robert G. Sebring, pioneer builders of over 5,000 homes in southern California.

Visitors are invited to enjoy refreshments from 1 to 5 p.m. on Sunday, provided by courtesy of the Southern Counties Gas Company.

All of the homes in Diamond View are located on view lots, with underground utilities and 8 color-coordinated exterior designs to preserve an attractive streetscape, Sebring said. The 1 and 2 story homes, priced from \$25,950, have covered entries, with cultured marble pullmans, decorator light fixtures, patio kitchens with pass-through windows to outside serving bars, fireplaces, carpeting, eye-level gas ranges and ovens, waste disposals and dishwashers.

The two-story model is flexible. Basically a 3-bedroom home, the huge second floor which is completely finished, can be partitioned to create a 4th bedroom. This gives the family the flexibility of the "bonus room" home without the necessity of do-it-yourself finishing or additional thousands to have the upstairs completed. It is ready for use, Sebring said.

Low-down FHA and no-down VA and conventional financing are available. Diamond View is easily reached by driving to the intersection of Golden Springs Drive and Diamond Bar Boulevard, within the community of Diamond Bar; continue west on Golden Springs drive to Prospectors rd., turn north, driving under the freeway overpass to Beaverhead drive, then right to the models and sales office. Hours are 11 a.m. to 6 p.m. daily. For information, contact Sales Manager Ray D. Barker Jr. at 213/330-2214 or 714/595-9195.

Diamond Crown, also a hillside neighborhood, offers "the complete home", packed inside and out with thousands of dollars' worth of extras and ready for instant living, according to developer Frank Croonquist.

Air conditioning, concrete driveways and walks, shag carpeting — just a few of the items in-

price of Diamond Crown homes.

"We're appealing to the buyer, such as the current renter, who has a limited cash outlay," said Croonquist. "The buyer's only extra expense is the draperies — and we even offer a special package price for these."

The mountain view homes are priced from \$31,900 for the 3-bedroom model, \$32,950 for the 4-bedroom, with four floor plans and ten elevations. The list of features included in the price is as lavish as it is long.

The carpeting is a sumptuously soft Eastman Kodell shag that flows through a sunken

living room, dining room and all bedrooms. Pure vinyl floors, looking like the exotic tiles of a Moroccan palace, give extra beauty to the entry, kitchen and family room. Wallpaper, almost unheard-of as a standard feature, comes in a glimmering array of muted golden motifs or flocked floral prints. Entries, halls and bathrooms are papered to fuse with overall color schemes.

More included items are slumstone fireplaces, concrete tile roofs and concrete walkways encompassing the whole home, sprinklers and front yard landscaping.

Fourteen candidates were introduced by Frank Montez at the "frosh assembly," and explained their qualifications. Four hundred fifty freshmen cast their ballots to select officers for Class of '73-Dave Allen, president; Jane Colombero, vice president; Cindy Edney, secretary; and Robin Johnson, treasurer.

These four officers will work closely with their advisors, Harry Couzins, Martha Weber, Bill Chapman, and Howard York to raise funds, enjoy social activities, and build spirit and pride in their class and Alta Loma High.

Upperclassmen working on election assembly and offering guidance to

candidates were Jo Lynn Guidera, Teri Busch, Cheryl Butters, and Caren Cooke.

"S" Club had a Fashion Show for all freshman girls to show latest fashions available from May Company.

"Take to the trail" time has been announced by San Bernardino County Regional Parks, with a trail-ride to Calico Ghost Town set for Nov. 15 and 16, starting at 9 a.m.

Trail Ride To Calico

Horsemen participating in the trail ride will find a base camp set up near Calico, with the week-end culminating in a three-hour ride Sunday morning, Nov. 16.

Trail fee charged by the county is \$1, with riders reminded to bring a sack lunch and canteen for the Saturday session, plus their camping gear if they plan on being on

hand for the full week-end trail ride.

For those who would like to saddle up, but have no horse, the county rates for renting a steed are \$12 for Saturday and \$6 for Sunday.

American Mobilehome, Inc. To Build Five New Parks

LOS ANGELES -- The American Mobilehome Company, Inc. headquartered in Van Nuys, has scheduled the opening of five million-dollar mobilehome parks in California by Jan. 1, 1970. Hubert A. Temple, AMC president, announced.

Temple said the parks are Santa Rosa Village, with 170 spaces and now open, Santa Rosa; Stockton Village, with 175 spaces and now open in Stockton; Milpitas Village, with 196 spaces, opening Nov. 1, Milpitas; Sun Valley Village, 261 spaces, opening Jan. 1, Concord; and Simi Vil-

lage, 221 spaces, opening Jan. 1, Simi.

The parks are designed to compare with any modern masterplanned community and the mobilehomes will be representative in architecture to conventionally-constructed dwellings, having mansard and gabled roofs and siding of oak, pine and even pecky cypress.

Parks will feature underground utilities, paved and lighted streets and off-street parking. Each park will be fenced with wood and stone, and each will have a security gate.

Temple said AMC is

continuing its search for both mobilehome park sites and manpower.

He said recent statistics gathered from sources in Washington, D.C. show there are more than 7 million persons residing in mobilehome parks and pointed out a principal difference between living in a single-family residential community and one of the AMC parks is that in the park one may benefit from a recreation complex that can cost of a quarter-million dollars.

The use of drugs by California's young people--a subject of increasing concern for parents and elected officials alike--was discussed extensively during the 1969 legislative session, and several new and important laws were passed to help meet the situation, says

Assemblyman Peter F. Schabarum.

One of these, which became effective November 10, is a landmark statute allowing parents to seek involuntary commitment of their children for treatment if they find they are drug users or addicts.

"Basically, the new law

offers help to youngsters in breaking the drug habit without fear of arrest or imprisonment, and at the same time allows parents of troubled individuals to gain help for their off-spring without the threat of a police record," said Schabarum, of the 49th Assembly District.

The law permits a superior court to order the three-day detention of a person suspected of being a danger to themselves or to others because of narcotic or drug abuse. After a medical and psychiatric diagnosis during the three-day detention,

the person may be ordered by the court to be detained for another 14 days if he is found, through testing, to be in need of more specialized treatment.

Changing World Of Interior Design Symposium, Nov. 15

ALTA LOMA -- "The Changing World of Interior Design" will be the theme of the second annual symposium on this subject offered at Chaffey college Nov. 15.

Keynote for the program, which is scheduled for 10 a.m. until 4 p.m. in the little theater, will be Allan Eisenberg whose specialty is residential design.

Eisenberg is vice president of the Southern California Chapter of the National Society of Interior Design and the owner of a

design studio in West Los Angeles. His topic will be "Trends in Residential Furnishings."

Another professional designer featured on the program will be Edna Henner, member of the NSID executive board. Her presentation will be concerned with "Trends in Office Design."

The symposium will be highlighted with topics by two additional spokesmen from the industry. They are Robert O. Webb, owner of Webb Textiles, Inc.,

Los Angeles, with "My World of Colors and Fabrics," and W. and J. Sloane vice president Allan H. Kapp, with "Updating Your Design on Selling."

Shirley Nash, interior design coordinator here, is assisting with arrangements for the symposium.

Details on obtaining reservations may be had by calling the Chaffey college office of instruction, 987-1737, 822-7456 or 626-9811, ext. 227.

Garrick Players will present Neil Simon's Broadway hit, "Come Blow Your Horn," on Nov. 14 and 15, at Central School, G and Sultana, Ontario, curtain, 8:15 as their opening production of the 1969-70 season.

Maxine Coats Lentz, veteran director for Garrick Players, has gathered an experienced cast.

Playing the debonair older brother is Gregg Abbott, Upland, who has stage credits in his home town of Sugar Grove, Pennsylvania. Buddy, his just-turned twenty-one brother, is played by Pete York, Pomona, who first appeared as Bibi in Garrick Players' "The Happy Time". Mr. York is a

senior at Pomona High, where he is on the tennis team and serves as head school photographer. Their father is played by seasoned Garrick Player, John Michik, Ontario, seen by local audiences as Captain Queeg in "The Caine Mutiny Court Martial", "The Man Who Came To Dinner" and "All My Sons".

He was the director of the moving drama, "Of Mice and Men", during the past season. His wife is played by Sari DeLapp, Claremont, a former drama student at Mt. San Antonio College, who has been seen in Garrick productions of "The Torch-bearers" and "The Importance Of Being Earnest".

The romantic interests are provided by Pat Breyman, Alta Loma, who, as the show-girl Connie, makes a valiant effort to change Abbott's playboy style, and Sarita Haines, Upland, the young show-girl anxious to sell her wares. Pat Breyman has been seen in "White Sheep In The Family", "Mr. Barry's Etchings", and "Cloud Seven". Sarita Haines is a dancer and model who has performed in college productions.

Tickets are available by calling 982-6907.

Mr. Thielke died Nov. 4 at San Antonio Community Hospital. A retired carpenter, he was a native of Welton, Iowa, and an Upland resident eight years. He was a member of Peace Grace

Mrs. Disa Foreman

Private funeral services for Mrs. Disa C. Foreman of 8 West Upper Terrace, San Dimas, were held Nov. 4 at Todd Memorial Chapel, Pomona.

Mrs. Foreman died Nov. 1 at Inter-Community Hospital, Covina. The Rev. Ronald Rasch, pastor of the Gladstone Baptist Church officiated at the funeral service.

Interment was at Olive Lawn Memorial Park, Whittier.

Mrs. Foreman was born Oct. 1, 1882, in Louisiana. She came to California from Oklahoma in 1944 and moved to San Dimas from South Gate in 1967.

She leaves four daughters, Miss Mildred Foreman of Calimesa and Mrs. Beatrice Templer, Mrs. Mahota Harvey and Mrs. Roberta Lynch, all of San Dimas; two sons, Boyd Foreman of Bellflower and Hampton Foreman of Calimesa; a sister, Mrs. Rosa Adams of Oklahoma City, Ok.; 10 grandchildren and nine great-grandchildren.

Wilbur C. Snoke

Services for Wilbur C. Snoke, 73, of 2012 Fifth St., La Verne, were held Nov. 4 at Todd Memorial Chapel, Pomona, with the Rev. Forest F. Lance, pastor of the First Brethren Church, La Verne, officiating. Interment was at Evergreen Cemetery, La Verne.

Mr. Snoke died Oct. 31 in a local convalescent hospital.

Mr. Snoke was born Oct. 14, 1896, in Silver Lake, Ind. He came to California from Indiana with his parents in 1899 and had lived in La Verne for 70 years.

He served with the U.S. Army during World War I. Mr. Snoke was a member of the First Brethren Church, La Verne; a charter member and past commander of La Verne Post 330 of the American Legion; a member of the Modern Woodmen of America, Pomona Lodge; and World War I Barracks of Pomona.

He leaves his widow, Mrs. Elsie M. Snoke; a son, Ralph Snoke of Pomona; a daughter, Mrs. Cleo Hinton of San Dimas; two sisters, Mrs. Mildred Lovgren, and Mrs. Lota Gay, both of Sanger; seven grandchildren, and two great-grandchildren.

Ivey J. Bethel

Services for Ivey J. Bethel, 71, of 10058 Fremont Ave., Montclair, were conducted Nov. 3 at Stone Funeral Home, Upland, followed by interment at Bellevue Cemetery.

Mr. Bethel, who died Oct. 30 in Bridgeport, Calif., was a retired race-horse trainer. A na-

tive of Oklahoma, he had lived in Montclair 15 years and was a member of Trona Masonic Lodge 684 F. & A.M.

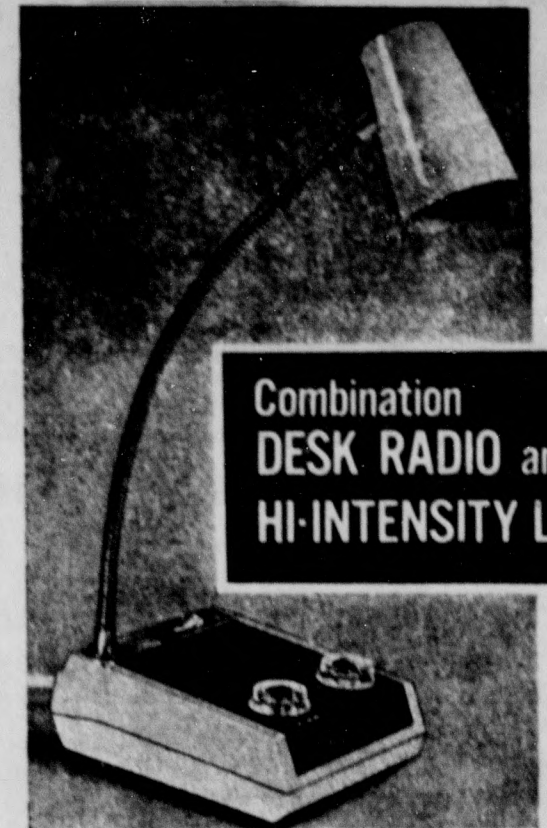

Mr. Bethel is survived by a daughter, Mrs. Joseph Marola of Montclair; a brother, Kenneth of Barstow; a grandson and a granddaughter.

Constance Beitzell

Services were held at Stone Funeral Home Oct. 30 for Mrs. Constance L. Beitzell, 77, of 155 W. Ninth St., Upland, who died Oct. 27 at Ontario Community Hospital.

Born in Michigan, Mrs. Beitzell had lived in Upland 47 years.

She is survived by her husband, Josiah E. Beitzell, of Upland; three sons, James E. Beitzell of Long Beach, David L. Beitzell of Upland and Charles Beitzell of Alhambra; a daughter, Mrs. Donald G. Conway of Upland, and four grandchildren.

Cal Poly Refuses New Enrollees

With the exception of former students and recently discharged servicemen, California State Polytechnic college, Pomona will not be able to accept any additional applications from students for the winter quarter of classes which begins January 5, 1970.

In making the announcement, Cal Poly President Robert C. Kramer said that winter quarter admissions have been closed to compensate for the excessively heavy enrollment of students on the campus this fall. However, Kramer added, some of those persons from whom applications for admission were received before Oct. 13 may be admitted to winter

quarter classes if final fall enrollment figures decrease thereby permitting the enrollment of more students in January.

Over 8300 students were enrolled at Cal Poly at the close of the college's late registration period. This enrollment figure is approximately 500 persons over the budgeted student allotment for the campus, said Kramer.

According to Kramer the decision whether to accept additional admission applications for the spring quarter of classes now depends on the final count of fall students and the number of students re-enrolling for winter.

Adult School PBX Class

Switchboard and telephone training will be offered by the Pomona Adult School under the course title "PBX".

Students will learn current telephone phrases, the phonetic alphabet, long distance procedures and how to do reports.

Each student is given typed materials pertaining to each step in the operating of a PBX board. The course will begin Monday, November 17 and Tuesday, November 18

and is 8 weeks in length. Students may select a Monday-Wednesday or a Tuesday-Thursday night combination, from 7:00 to 10:00 p.m. Cost of the 8 weeks course is \$2.25. Prospective students may register immediately at the Pomona Adult School office at 800 South Garey ave., in Pomona, Monday through Fridays, 8:30 a.m. to 4:30 p.m. and Monday through Thursday from 7:00 to 8:30 p.m.

SPIDERS BUG OUT

All adult insects have six legs. Many creatures closely resemble insects and are often mistaken for them—for example, spiders, which have eight legs.

White House Writer To Talk

Who spends what to get which laws passed in the nation's capital? Those questions, and more, will be answered by James Deakin, White House Correspondent for the St. Louis Dispatch when he appears as a special speaker in the Forum Lecture series at San Bernardino Valley college tonight at 7:40 in the campus auditorium.

Assigned to Washington, D.C. since 1954, Deakin has covered four Presidents — Eisenhower, Kennedy, Johnson and President Richard Nixon.

In 1966 he authored the book "The Lobbyists" and has recently published his account of "Lyndon Johnson's Credibility Gap".

The appearance is open to the public at no charge.
